Together Time:

Time Together, Time Well Spent! Casey Rislov, 2011-11-09 Spending time with family and friends is important. Sometimes our schedules become so hectic we forget to slow down and really interact with one another. Time Together Time Well Spent reminds us how much fun families can have playing games, building forts, riding bikes, and reading books together. Sharing these simple joys lets us get to know each other and ourselves more deeply and often leads to many more fun adventures. Time together really is time well spent. A wonderful antidote to the presence of increasingly isolation, heavy media, and technology. Midwest Book Review. At its core, this book does what good books do: you start from page one again upon its conclusion. Zachary Pullen, acclaimed author and illustrator, Los Angeles Book Festival Winner 2012 Children's Book Category Honorable Mention.
