service and I m sure I ve known a few swabs in my time Unlike some junior officers I could name when suddenly intrusted with the reins of power there was nothing of the martinet about Tom even on the first day he assumed his new rank when a little extra pomposity might have been excusable But no he gave himself no airs or graces whatever He was the same Tom Finch who had chaffed and larked and talked confidence with me in the gunroom now that he trod the quarter deck in all his war paint as I told him somewhat impudently the skipper of HMS Porpoise paddle sloop 6 guns as she was described in the Navy List the same unaffected jovial good natured sailor whom everybody liked men and messmates alike His only weakness was a love for practical joking which he would carry out sometimes perhaps to a rather ticklish extent for his own good that is as he never knowingly did anyone else an injury by it What will you do with your monkey I said when the mail brought in our orders from the commodore on the West Coast for us to sail for Monte Video at once and there await our further instructions which would be sent on from England what will you do with him when we go Take him with me of course answered Tom why shouldn t I Well I don t see any reason against it certainly I replied now that you are captain of the ship and can do as you please without asking anybody s leave Poor Griffin said Tom he did object to Jocko s society that was the reason I always used to keep the dear fellow ashore however as you say Gerald I am my own master and can do as I like now
