Ultimate Russian Beginner/intermediate:

Ultimate Russian Basic, 2004-09 *Ultimate Russian* Nancy Novak, 2004 **Ultimate Russian** Nancy Novak, 1998

Consists of forty lessons and two sets of recordings. The first set of recordings are in Russian only and are designed to be used with the manual. The second set of recordings are bilingual and are designed to be used without the text. Ultimate Russian Jack Blanshei, 1998. Each Ultimate Advanced course contains a 400 page book with eight 60 minute recordings. All 20 lessons begin with a lively up to date dialogue. Additional sections explain grammar and usage, offer related vocabulary, quiz students on their progress and provide interesting cultural information especially useful to those planning to live or conduct business abroad. The eight hours of recordings are separated into two sets. The first four Learn at Home are in the target language only and are meant to be used with the manual. The second set Learn on the Go perfect for use in the car, at the gym or anywhere contains both English and the target language so no book is needed to follow along. This two tiered approach has been hailed as ingenious by Professor Kuhn Osius of the City University of New York. A step by step guide to the basics of conversation and grammar, the revised and updated course uses a highly effective speed learning method developed by U.S. government experts during World War II and adapted for home study in 1946. The 40 lessons on two 90 minute cassettes or three 60 minute compact discs start with words then progress to phrases and full dialogues. This building block approach makes it easy to learn. Only the new language is heard on the recordings with translations and explanations provided in the accompanying manual. In addition the manual includes a brief but comprehensive grammar summary, verb charts and a section **Complete Russian** Constantine Muravnik, 2008. Learn Russian in 4 Simple Steps With Living Language Complete Russian The Basics you'll start by learning words and then you'll progress to phrases, sentences and conversations. This simple four step building block approach will have you speaking with confidence right from the beginning and you'll be able to learn gradually and effectively. If you're confident in your pronunciation then this coursebook includes everything you need: vocabulary, grammar, culture and practice. But you can also use this book along with the four hours of recordings included in the Living Language Complete Russian The Basics compact disc package which also includes a handy learner's dictionary. This comprehensive coursebook includes 40 step by step lessons, practical vocabulary and authentic everyday usage. Simple explanations and plenty of examples.
