Shit man, this wizard war is fucked. I just saw a guy clap his hands together and say "the ten hells" or some similar shit, and every one around him turned inside out, had their tibia explode and then disappeared. The camera didn't even go onto him, that's how common shit like this is. My ass is casting frostbite and level 2 poison. I think I just heard "power word:scrunch" two groups over. I gotta get the fuck outta here.
