WOLVERDEN TOWER Grant Allen, 2017-10-16 Maisie Llewelyn is invited as a guest to Wolverden Hall for Christmas There is also an old church nearby whose tower was recently rebuilt This restoration was not very successful but was absolutely necessary Here Maisie befriends two young girls Yolande and Hedda but strangely none of the other guests seems to know the two After Christmas the three girls want to visit the church again and climb the steeple because Maisie is of royal blood and the tower needs a new protective spirit Unknown to poor Maisie danger lurks in a dark corner to strike her What will happen with her and what is the secret of the *Wolverden Tower* Read on Grant Allen 1848 1899 was a Canadian science writer and novelist and a proponent of the theory of evolution Allen also became a pioneer in science fiction with the 1895 novel *The British Barbarians* which was published about the same time as H G Wells's *The Time Machine*

Wolverden Tower (Christmas Mystery Series) Grant Allen, 2018-12-14 In *Wolverden Tower* Grant Allen masterfully weaves an intricate tale of suspense and intrigue set against the backdrop of a Christmas Eve gathering His compelling narrative style combines elements of the mystery genre with vivid descriptions illustrating an atmospheric yet claustrophobic mansion rife with tension The novel's literary context is influenced by the Victorian fascination with the supernatural and crime employing an array of richly developed characters whose interactions unveil deeper truths about human nature amidst a holiday setting that should signify warmth and cheer but instead becomes a stage for deception and murder Grant Allen was not only a prolific writer but also a natural scientist whose keen observations about human behavior often found their way into his storytelling His diverse background in sociology and the burgeoning fields of psychology informed his understanding of motives and conflicts particularly in settings that juxtapose societal norms with darker elements of the human psyche This duality is palpable in *Wolverden Tower* as readers explore the dichotomies of festivity against the chilling undercurrent of danger Recommended for enthusiasts of classic mystery and holiday literature alike

Wolverden Tower is an engaging exploration of intrigue that challenges festive conventions Allen's deft plot twists and skillful characterizations make this book a captivating read inviting readers to delve into the chilling side of Christmas while contemplating the complexities of human motives
