

SUMMARISING

Name: _____

AN UNLIKELY HERO

It started out just like every other school day. The bell sounded in the morning and the students dawdled into their classrooms, before sitting at their desks, ready to learn. Tom sat down by himself in the back of the room. He had never really enjoyed school, he was smaller than the other students and they always made fun of him. Tom and the other students opened their books and began to read. Just a few minutes into their reading, an alarm sounded. The fire alarm! Panic erupted as students started screaming and frantically running around. They could see the flames flickering in the hallway. There was no way out. They were trapped! Suddenly Tom had an idea. He ran to the nearest window and threw a chair into it, shattering the glass and creating an opening for the students to escape. He helped each and every one of them out through the window, before climbing through himself. From the day onwards, Tom was known as a hero. The other students never picked on him again.
