Kimball (Firm), 1878 **A Social History of Amateur Music-Making and Scottish National Identity: Scotland's Printed Music, 1880-1951** Karen E. McAulay, 2024-10-30 Late Victorian Scotland had a flourishing music publishing trade evidenced by the survival of a plethora of vocal scores and dance tune books and whether informing us what people actually sang and played at home danced to or enjoyed in choirs or reminding us of the impact of emigration from Britain for both emigrants and their families left behind examining this neglected repertoire provides an insight into Scottish musical culture and is a valuable addition to the broader social history of Scotland The decline of the music trade by the mid twentieth century is attributable to various factors some external but others due to the conservative and perhaps somewhat parochial nature of the publishers output What survives bears witness to the importance of domestic and amateur music making in ordinary lives between 1880 and 1950 Much of the music is now little more than a historical artefact Nonetheless Karen E McAulay shows that the nature of the music the song and fiddle tune books contents the paratext around the collections its packaging marketing and dissemination all document the social history of an era whose everyday music has often been dismissed as not significant or indeed properly old enough to merit consideration The book will be valuable for academics as well as folk musicians and those interested in the social and musical history of Scotland and the British Isles **Alcohol and Drug Problems in Women** Oriana Josseau Kalant, 2013-11-11 Over the last decade the world has experienced a growing interest in problems associated with the nonmedical use of drugs This interest has corresponded to a real growth in the extent diversity and social impact of the use of alcohol and drugs in many societies As a result the amount of research and writing on the subject of drug problems has greatly increased and it has become very difficult for one individual to keep up with all the relevant literature There is thus an acute need in the field for critical reviews that assess current developments and the present series is intended to fill this need The series is not to be an annual review in the usual sense The aim is not to cover all the work reported during the preceding year in relation to a fixed selection of topics Rather it is to present each year evaluative papers on topics in which enough recent progress has been made to alter the general scope in a particular area Owing to the multidisciplinary nature of problems of drug use and dependence the papers published in each volume will be drawn from

several disciplines However some volumes may be devoted to one particular problem with individual reviews and papers examining various aspects of it The composition of the editorial board and the international advisory board reflects these objectives The editors are members of the senior scientific staff of the Addiction Research Foundation of Ontario *Stephen Crane's Blue Badge of Courage* George Monteiro,2000 In considering the whole of Crane's writing Monteiro interrelates the various texts and vividly presents their cultural contexts structuring his study around the primary natural and social settings that uniquely characterize Crane the city warfare the frontier and shipwreck at sea By taking an unprecedented inventory of those religious readings songs and recitations the young Crane imbibed and tracing their permeation of his writerly imagination Monteiro deepens our understanding of the meaning and purpose of Crane's work and fosters new appreciation for his immense but short lived creative faculty Jacket **Early Advent Singing** ,1994 This collection of 52 early Adventist hymns is a revised and enlarged edition of *Advent Singing* The book is divided into sections by time periods with an introduction and a list of contents for each segment A history and stories about each hymn precede the words and music Contents Millerite Adventist Hymns 1841 1844 Angels Hovering Round I m a Pilgrim Never Part Again Together Let Us Sweetly Live and more Pioneer Sabbath keeping Adventist Hymns 1845 1863 God of My Life How Far From Home Land of Light O Brother be Faithful and more Early Seventh day Adventist Hymns 1863 1915 Dare to Be a Daniel Resting By and By There is Sunlight on the Hilltop We Shall Meet Beyond the River and more The Homiletic Review ,1916 **The Hymn** ,2001 **Books and Bookmen** ,1971 Book Bulletin Chicago Public Library,1973 **Revivalism and the Popular Spiritual Song in Mid-nineteenth Century America** Paul Gaarder Kaatrud,1987 Realms of Light Richard Crangle,Mervyn Heard,Ine Van Dooren,2005 The National Union Catalog ,1968 **National Union Catalog** ,1973 Includes entries for maps and atlases
