Temple And Contemplation:

Temple & Contemplation Corbin,2013-10-28 First published in 1986 This volume brings together five lectures which were originally delivered at different sessions of the famous Eranos Conferences in Ascona Switzerland Henry Corbin himself had outlined the plan for this book whose title suggests that these diverse studies converge on a common spiritual centre *Temple and Contemplation* Scott W. Hahn,David Scott,2008 This is the fourth annual volume of the remarkably popular journal of biblical theology edited by Scott Hahn and his St Paul Center for Biblical Theology This volume features important new works by Hahn Gary Anderson John Cavadini Brant Pitre among others Inspired by the ground breaking work of Yves Congar and Jean Danielou this volume includes original and thought provoking contributions on such topics as the Tabernacle and the origins of Christian mysticism Jesus self consciousness of being the new Temple and the new High Priest and the doctrine of the indwelling of the Trinity in the soul Hahn contributes a new perspective on the Gospel of John showing how Israel s Temple and feasts are fulfilled in Christ and the sacraments of the Church As the editors write in their introduction to this volume The Temple theme is perhaps the richest in all of biblical theology embracing the mysteries of Christ Church and Kingdom liturgy sacraments and priesthood salvation sanctification and divine filiation These are the beautiful mysteries we contemplate in this volume of Letter Spirit [The Spiritual Exercises of Saint Ignatius of Loyola](#) Saint Ignatius (of Loyola),1922 **Reading the Sermons of Thomas Aquinas: A Beginner's Guide** Randall B. Smith,2016-12-01 Preaching was immensely important in the medieval Church and Thomas Aquinas expended much time and effort preaching Today however Aquinas s sermons remain relatively unstudied and underappreciated This is largely because their sermo modernus style typical of the thirteenth century can appear odd and inaccessible to the modern reader In *Reading the Sermons of Thomas Aquinas* Randall Smith guides the reader through Aquinas s sermons explaining their form and content In the process one comes to appreciate the sermons in their rhetorical brilliance beauty and profound spiritual depth while simultaneously being initiated into a fascinating world of thought concerning Scripture language and the human mind The book also includes analytical outlines for all of Aquinas s extant sermons *Reading the Sermons of Thomas Aquinas A Beginner s Guide* is an indispensable volume for those interested in the thought of Aquinas in the intellectual and spiritual milieu in which he worked and in the manifold ways of preaching the Gospel message [Monks in the World](#) William Thiele,2014-02-03 In this moving spiritual memoir Dr William Thiele shares inspiring stories of the birthing of a monastery without walls among everyday women and men around New Orleans after the devastation of Hurricane Katrina in 2005 Along the way core contemplative attitudes practices and principles were discovered He offers these stories of birthing a School for Contemplative Living as a challenging call to a frantic and polarized world Readers will be drawn toward their own spiritual transformation as they encounter imperfect monks with messy lives who are practicing God s presence and learning to serve the world from that presence He encourages readers to join these monks in the world by forming contemplative communities

A. J. Appasamy and his Reading of Rāmānuja Brian Philip Dunn, 2016-12-01 In this work Brian Philip Dunn focuses on the embodiment theology of the South Indian theologian A J Appasamy 1891-1975 Appasamy developed what he called a bhakti devotional approach to Christian theology bringing his own primary text the Gospel of John into comparative interaction with the writings of the Hindu philosopher and theologian R m nuja Dunn's exposition here is of Appasamy's distinctive adaptation of R m nuja's Body of God analogy and its application to a bhakti reading of John's Gospel He argues throughout for the need to locate and understand theological language as embedded and embodied within the narrative and praxis of tradition and for Appasamy and R m nuja in their respective Anglican and rivai ava settings Responding to Appasamy Dunn proposes that the primary Johannine referent for divine embodiment is the temple and considers recent scholarship on Johannine temple Christology in light of rivai ava conceptions of the temple and the temple deity He then offers a constructive reading of the text as a temple procession a heuristic device that can be newly considered in both comparative and devotional contexts today
