**Whening Tennis** Larry Huebner, 2004 *Whening Tennis: In Tennis as in Life, Timing is Everything* is an instructional book. It is unique in that it does not focus on the how-to of playing the game as much as the when-to for more tennis success. The author's primary focus on when decisions is an entirely new instructional approach for many aspects of the game. When a player learns to combine good when decisions with real effort to play the game to the best of their ability, regardless of the final score, winning has been achieved. Thus, *Whening Tennis* becomes winning tennis, the essence of the book. The subtitle, *In Tennis as in Life, Timing is Everything*, emphasises the importance of when decisions and their crossover from tennis into life's experiences.
