Ley Lines Tim Welsh,2025-05-01 Set in the waning days of the Klondike Gold Rush Ley Lines begins in the mythical boom town of Sawdust City Yukon Territory Luckless prospector Steve Ladle has accepted an unusual job offer accompany a local con artist to the unconquered top of a nearby mountain What he finds there briefly upends the town s fading fortunes attracting a crowd of gawkers and acolytes while inadvertently setting in motion a series of events that brings about the town s ruin In the aftermath a ragtag group of characters is sent reeling across the Klondike struggling to come to grips with a world that has been suddenly and unpredictably upturned As they attempt to carve out a place for themselves our protagonists reckon with the various personal historical and supernatural forces that have brought them to this moment A wildly inventive psychedelic odyssey Ley Lines flips the frontier narrative on its ear and heralds the arrival of an exciting new voice in Canadian fiction

Looking for Alaska Peter Jenkins,2014-03-18 The national bestseller Destined for greatness By the end the reader is flying through the book like a bush plane through the Alaskan interior The Columbus Dispatch The author of A Walk Across America Peter Jenkins is now a bit older than he was in that memoir married with a family and his journeys are different than they were Perhaps he is looking for adventure perhaps inspiration perhaps new communities perhaps unspoiled land Certainly he found all of this and more in Alaska America s last wilderness Looking for Alaska is Peter s account of eighteen months spent traveling over twenty thousand miles in tiny bush planes on snow machines and snowshoes in fishing boats and kayaks on the Alaska Marine Highway and the Haul Road searching for what defines Alaska Hearing the amazing stories of many real Alaskans from Barrow to Craig Seward to Deering and everywhere in between Peter gets to know this place in the way that only he can His resulting portrait is a rare and unforgettable

depiction of a dangerous and beautiful land and all the people who call it home He also took his wife and eight year old daughter with him settling into a home base in Seward on the Kenai Peninsula coming and going from there and hosting the rest of their family for extended visits The way his family lived how they made Alaska their home and even participated in Peter s explorations is as much a part of this story as Peter s own travels All in all Jenkins delivers a warm funny awe inspiring and memorable diary of discovery both of this place that captures all of our imaginations and of himself all over again
