Donna Corso,2013-03 This is a book about choices about end of life choices Have you ever thought about what you would do if your child were diagnosed with a terminal illness Would your state laws allow treatment options Would you have the legal right to protect your child s dignity to ensure his peaceful passing When the Wind Chimes Chime begins with the true story of a little boy whose options were few based on the western medical establishment and social laws at a time when what he needed most were compassion and quiet time for gentle closure His story will open your heart as well as your eyes You may find yourself wondering about the laws in your own state perhaps even assisting in changing them for the greater good of humanity The last part of the book is a journey of self discovery it contains many personal accounts of people who were able to approach their own final days in peace Ultimately this book is about releasing the greatest fear of all and embracing the natural cycle of life <http://donnacorso.com/freegifts.html>
