E. Crowdy,2018-06-30 An account of the pivotal battle in Napoleon s Italian campaign that secured his position as the French First Consul On 14 June 1800 Napoleon Bonaparte fought his first battle as French head of state at Marengo in northern Italy Unexpectedly attacked Napoleon s army fought one of the most intense battles of the French Revolutionary Wars Forced to retreat and threatened with encirclement Napoleon saved his reputation with a daring counterattack snatching victory from the jaws of defeat This battle consolidated Napoleon s political position and placed the crown of France within his reach Meticulously researched using memoirs reports and regimental histories from both armies Marengo casts new light on this crucial battle and reveals why Napoleon came so close to defeat and why the Austrians ultimately threw their victory away With the most detailed account of the battle ever written author T E Crowdy focuses on the leading personalities in the French and Austrian camps describing the key events leading up to the battle and the complex armistice negotiations which followed For the first time Crowdy exposes the full story of Carlo Gioelli the enigmatic Italian double agent who misled both armies in the prelude to battle      Enlite ,1968      *Hebrew History* Henry Hallam Saunderson,1909      Textile World ,1917      **The Living Age** ,1873      *Antagonist* R. A. Steffan,2019-10-07 His fate is to save a planet in crisis Survival comes second to that That s what Kade of House Shadow Wing has always believed ever since his parents were executed for their political beliefs and he was jailed for daring to be their son Just his luck that a female human diplomat with hard eyes and a silver

tongue would choose the most inconvenient possible moment to barrel in upending all of Kade's carefully constructed plans. With the situation on Ilarius descending into chaos, Ambassador Isadora Martinez makes him question all of his assumptions about the future. A former Terra Novan Special Forces Major and current pain in Kade's ass, Martinez seems to think there's a way out of this mess that doesn't involve blood running like a river through the streets of the Capital. But talk is cheap in Kade's world. When the pair become the prime targets of an out-of-control Regime desperate to cling to power, their ability to work together will mean life or death, not only for themselves but also for the besieged human population they're struggling to protect. The war for Ilarius' future just went from cold to hot. Until it's won, Kade can't afford to think about a future beyond the fight for survival. o o o From USA Today bestselling author R.A. Steffan comes a sizzling sci-fi romance series perfect for readers who love plot and complex characters with their spines strapped in tight for the conclusion of LOVE AND WAR.
