## **Two Babushkas:**

**Two Babushkas** Masha Gessen, 2004 Journalist Masha Gessen's last memory of Russia was the crowd of red-eyed relatives gathered at the airport in Moscow in 1981 to wave goodbye forever to her 14-year-old self, her brother and her parents. Unwilling to have their children grow up bearing the weight of the same anti-Semitism that they and their parents had, Masha's mother and father were emigrating to America. But Russia was Masha's home and 10 years later she returned to a changed country and to her two grandmothers. With intelligence and humour, Masha Gessen unfolds the tale of these two women, both Eastern European Jews who lived through Polish and Russian anti-Semitism, the Second World War, the Holocaust and the Stalin years, and who bore unceasing intimidation and fear in very different ways but with similar courage, resourcefulness and sheer chutzpah. As Masha traces the characters' struggles, love affairs and families of Ester, confident and reckless, and Rosalia, sensitive and responsible, the story of twentieth-century Russia and its people, the Jews, their friends and their enemies emerges. And so does Masha Gessen's own story itself, a modern myth of exile and return. **Two Babushkas** Masha Gessen, 2005 This is a story of 20th-century Russia through the lives of two extraordinary women. Political Stages Emily Mann, David Ernest Roessel, 2002-05 Applause Books Warning: The plays of Political Stages do not make for a quiet evening of theatre. These are the plays which got audiences out of their seats and sometimes out into the streets. Their words and ideas rumbled ominously down the marble hallways of legislatures and challenged, even threatened, and often changed the thinking of millions. These are the plays which either lit or reflected the fires of those political controversies which blazed across the American Twentieth Century. Individually, each is a molotov cocktail tossed onto the stage, each a political movement encapsulated in dramatic form. Combined, they constitute both a conflagration and a record of American political and theatrical ideology. Never before, however, have they been collected in one explosive volume. In Political Stages, they have at last been preserved, ever ready to serve at the barricades of subsequent eras. Includes works by Tennessee Williams, Emily Mann, Clifford Odets, Langston Hughes and others. Because We Could Francis Wildman, 2025-07-25 When Russia invaded Ukraine in February 2022, Francis Wildman, a British lawyer, couldn't just watch from afar. Driven by a simple conviction, because he could, he left his quiet life in Kent, England, and drove 1,126 miles to the Poland-Ukraine border. Armed only with an ageing Chrysler Voyager and a determination to help, Francis plunged into the chaos of Europe's largest refugee crisis since World War II. From ferrying families to safety in Italy, Latvia, and beyond to delivering aid into war-torn Ukraine, Francis' memoir is a raw, heartfelt chronicle of compassion in action. The book has over 100 full-colour pictures and maps and web videos from the time. Amidst teddy bear mountains, border bureaucracies, and countless logistical and emotional challenges, are moments of hope and redemption. Francis and a global band of volunteers worked tirelessly to ease the suffering of those fleeing the war. What began as a simple act of compassion quickly grew into a life-altering mission. Because We Could is a testament to the power of ordinary people doing extraordinary things. Through humour, humility, and compelling honesty,
