## **Two Portraits For Strings 1930:**

**Two portraits** Benjamin Britten, 1997 *The Cambridge Companion to Benjamin Britten* Mervyn Cooke, 1999-06-28 The Cambridge Companion to Benjamin Britten is a comprehensive guide to the composer's work aimed both at the non-specialist and music student. It sheds light on both the composer's stylistic and personal development, offering new interpretations of his operatic works and discussing his characteristic working methods. Topics treated here in detail for the first time include Britten's work in the cinema in the 1930s, his lifelong pacifism, and his strong interest in the music of the Far East. Other chapters include reassessments of his relationship with W. H. Auden and his attitude towards childhood, comprehensive analyses of major works, and a concise history of the Aldeburgh Festival. A distinguished team of contributors includes some who worked with the composer during his lifetime, as well as leading representatives of the younger generation of Britten scholars on both sides of the Atlantic.

**A Sound Mind** Paul Morley, 2020-11-10 For readers of *Mozart in the Jungle* and *Year of Wonder*, a new history of and guide to classical music. Paul Morley made his name as a journalist covering the rock and pop of the 1970s and 1980s. But as his career progressed, he found himself drawn toward developing technologies, streaming platforms, and increasingly the music from the past that streaming services now made available. Suddenly able to access every piece Mozart or Bach had ever written and to curate playlists that worked with these musicians' themes across different performers, composers, and eras, he began to understand classical music in a whole new way and to believe that it was music at its most dramatic and revealing. In *A Sound Mind*, Morley takes readers along on his journey into the history and future of classical music. His descriptions, explanations, and guidance make this seemingly arcane genre more friendly to listeners and show the music's power, depth, and timeless beauty. In Morley's capable hands, the history of the classical genre is shown to be the history of all music, with these long-ago pieces influencing everyone from jazz greats to punk rockers and the pop musicians of today.

[The British Catalogue of Music](#), 1999 **More Books** Boston Public Library, 1930 Issues consist of lists of new books added to the library, also articles about aspects of printing and publishing history and about exhibitions held in the library and important acquisitions.

**Benjamin Britten** Paul Banks, 1999 *Notes* Music Library Association, 2000 *The Harvard Biographical Dictionary of Music* Don Michael Randel, 1996 Biographical dictionary emphasizes classical and art music; also gives ample attention to the classics as well as jazz, blues, rock, and pop, and hymns and showtunes across the ages.

*Notation and Tonal Structure in Bartók's Later Works* Malcolm Gillies, 1989 [Schwann Long Playing Record Catalog](#), 1969 *High Fidelity News and Record Review*, 1993 **Random House Encyclopedic Dictionary of Classical Music** David Cummings, 1997 Along with offering fascinating facts on the lives of the musicians, the Random House Encyclopedic Dictionary of Classical Music presents concise plots for 3,000 operas, comprehensive listings of stage and opera works, and explanations of musical terms, theories, and forms that reflect current thinking.
