## **The Almighty:**

The Almighty Irving Wallace,1983      The Almighty's Religion for the Universe Sidney R Smith MHS,2016-02-26 What the author is attempting to do is provide new information about the Creator life the universe and the purpose of humanity as it relates to what the Almighty has revealed to mankind It is the intent of the author to offer new alternatives and explanations of life to give new insight as to man s role for being in existence on the planet Earth and in the universe It offers the opportunity to explore and come to terms with this information so mankind can be enlightened to a new faith The material in this book allows man to understand that there is no reward or punishment for coming to terms with what the Creator has revealed to mankind To take away the fear of a hell and give a sense of immortality in lieu of a heavenly paradise Nevertheless this book will show mankind something different about man s creation and the purpose of his creation It s a matter of life before birth reincarnation Have you ever thought of the possibility that there is life before life Many people throughout the ages have questioned the possibility of life after death but never of life before birth I know of only one person who had some connection with the possibility of life before birth Me Edward Cayce who died in 1945 recorded some accounts of his efforts to recall the lives of people in their spiritual past He provided case studies dealing with his ability to read past histories of people s past lives but was not able to prove or disprove his abilities But suppose we were to think in terms of having an existence before we were born We have explored the prominent thought of life after death to a point of scientific examination and experimentation      **A Concordance of the Proper Names in the Holy Scriptures** Thomas David Williams,1923      The Holy Bible Containing the Old and New Testaments Translated Out of the Original Tongues ,1885
