The Forgetting Head:

The Forgetting Moon Brian Lee Durfee, 2016-08-30 A massive army on the brink of conquest looms large in a world where prophecies are lies magic is believed in but never seen and hope is where you least expect to find it in this high fantasy in the vein of Stephen R Donaldson or David Eddings with generous helpings from George R R Martin Booklist Welcome to the Five Isles where war has come in the name of the invading army of S r Sevier a merciless host driven by the prophetic fervor of the Angel Prince Aeros toward the last unconquered kingdom of Gul Kana Yet Gault one of the elite Knights Archaic of S r Sevier is growing disillusioned by the crusade he is at the vanguard of just as it embarks on his Lord Aeros greatest triumph While the eldest son of the fallen king of Gul Kana now reigns in ever increasing paranoid isolationism his two sisters seek their own paths Jondralyn the older sister renowned for her beauty only desires to prove her worth as a warrior while Tala the younger sister has uncovered a secret that may not only destroy her family but the entire kingdom Then there s Hawkwood the assassin sent to kill Jondralyn who has instead fallen in love with her and trains her in his deadly art All are led further into dangerous conspiracies within the court And hidden at the edge of Gul Kana is Nail the orphan taken by the enigmatic Shawcroft to the remote whaling village of Gallows Haven a young man who may hold the link to the salvation of the entire Five Isles You may think you know this story but everyone is not who they seem nor do they fit the roles you expect Durfee has created an epic fantasy full of hope in a world based on lies **Howls of the Forgotten**

Linda Bondy, 2023-04-16 **Howls of the Forgotten** by Linda Bondy is a striking tale centred around the life of a wolf dog named Sabeau her lived in experiences and the people and creatures she meets The author was inspired to write the story following an unfortunate occurrence she witnessed involving a dog The main character Sabeau is very relatable and so is the story itself Perhaps it s because the author employs Personification which humanizes Sabeau s character and connects and draws the reader into her world Vivid imagery and a strong narrative voice which help emphasize and convey her struggles and later triumph In the author s words I thought when I retired I d write a story about some of the unfortunate people I encountered One morning I saw a young German Shepherd about eight months old She was stopping traffic on the road to look into the cars for her master She was probably just another unwanted dog someone had abandoned in the country and forgotten After work I drove where I d seen her last I was shocked to see the dog dead on the side of the road someone either didn t see her or didn t bother to drive around the animal I vowed to give that poor dog a life she was denied by writing a story about her I would make her a Shepherd wolf cross to give her strength and country smarts I call her Sabeau *The Forgetting Time*
