**The Law of the Flaw** Marva A. Smith,2022-07-07 A SONG OF FRIENDSHIP Friendship is the strongest tie Outside of kinship no one can deny The specialness of kinship lies in a bond That cannot be severed and no one can buy Friendship embraces spousal connection Tightening its bands on waning affection The specialness of friendship lies in a bond Of caring sharing loving it s all emotional When two friends get together they Command a circle and perform miracles Reflecting intimacy camaraderie We re all on a journey loving and bonding And together circling this miracle merrily **The ^ASongs of Hollywood** Philip Furia,Laurie Patterson,2010-04-07 The Songs of Hollywood tells the story of how songs have been presented in film not just in musicals but in dramatic films as well from the earliest talkies down to the present While most songs have been done as performances by characters portraying singers who thus have a realistic excuse to sing because they are rehearsing or performing for a Broadway show another convention for presenting songs as integral spontaneous expression of what a character feels at a particular dramatic moment gradually emerged in the early 1930s and flourished through the 1950s *Night Train: A Novel* Donald O'Donovan,2010-01-25 Fast furious unforgettable and set against the backdrop of a crumbling civilization NIGHT TRAIN follows arch outsider Jerzy Mulvaney in an audacious account of what it means to be homeless on the streets of Los Angeles Talking with Doctors David Newman,2013-05-13 Without any warning in September 1999 David Newman was told he had a rare and life threatening tumor in the base of his skull In the compressed space of five weeks he consulted with leading physicians and surgeons at four major medical centers The doctors offered drastically differing opinions several pronounced the tumor inoperable and voiced skepticism about the effectiveness of any nonsurgical treatment Talking with Doctors is the story of Newman s efforts at a time of great stress and even impending death to wend his way through the dense thicket of medical consultations in search of a physician and a treatment that offered the possibility of survival It is the story especially of the harrowing process of assessing conflicting expert opinions and in so doing of making sense of the priorities personalities and vulnerabilities of different doctors All too often he found the leading specialists to whom he was sent were strangers in the consulting room and strangers who became stranger still both cognitively and emotionally when ambiguous findings pushed them to the outer limits of their training and experience Newman writes poignantly of his sense of powerlessness and desperation of the painstaking means by which he ascertained what could be known about his tumor and of the fortuitous events that finally led him to life saving help Talking with Doctors is a compelling absorbing unsettling story that touches a collective raw nerve about the experience of doctors and medical care when life threatening illness leads us to subspecialists at major medical centers Probing the nature of medical authority and the grounds of a trusting doctor patient relationship Newman illuminates with grace and power what it now means for a patient to participate in life and death medical decisions **Hospice Hounds** Michelle A.
