Beyond the Realm Jude A. Brattoli, 2012-11. *Beyond the Realm* is a collection of poetry that expresses human feelings of friendship, love, faith, and even delves into the dream or subconscious state of mind. The author's use of metaphors, similes, and imagery lends an interesting perspective to many of today's complex emotions. A number of the poems add an intriguing element of mystery as to the true intent of the author's message, thus offering the reader an opportunity to reflect upon their own interpretations. A section at the back of the book does explain the theme behind a selection of the poems and aids in understanding some of the author's expressions.
