As Thousands Cheer Laurence Bergreen, 1996-03-22 Irving Berlin 1888 1989 was unable to read or write music and could only play the piano in the key of F sharp major yet for the first half of the twentieth century he was America's most successful and most representative songwriter composing such hits as Alexander's Ragtime Band Cheek to Cheek Let's Face the Music and Dance Puttin' on the Ritz White Christmas Anything You Can Do There's No Business Like Show Business and God Bless America As Thousands Cheer winner of the Ralph J Gleason Music Book Award explores with precision and sensitivity Berlin's long prolific career his self-doubt and late blooming misanthropy and the tyrannical control he exerted over his legacy of song From his immigrant beginnings through Tin Pan Alley Broadway and Hollywood to his reclusive and bitter final years this definitive biography reveals the man who wrote 1500 songs but could never quash the fear that for all his success he wasn't quite good enough

The Letters of Cole Porter Cole Porter, 2019-11-25 The first comprehensive collection of the letters of one of the most successful American songwriters of the twentieth century From Anything Goes to Kiss Me Kate Cole Porter left a lasting legacy of iconic songs including You're the Top Love For Sale and Night and Day Yet alongside his professional success Porter led an eclectic personal life which featured exuberant parties scandalous affairs and chronic health problems This extensive collection of letters most of which are published here for the first time dates from the first decade of the twentieth century to the early 1960s and features correspondence with stars such as Irving Berlin Ethel Merman and Orson Welles as well as his friends and lovers Cliff Eisen and Dominic McHugh complement these letters with lively commentaries that draw together the loose threads of Porter's life and highlight the distinctions between Porter's public and private existence This book reveals surprising insights into his attitudes toward Hollywood and Broadway and toward money love and dazzling success

A Right to Sing the Blues Jeffrey Melnick, 2001-03-16 All too often an incident or accident such as the eruption in Crown Heights with its legacy of bitterness and recrimination thrusts Black Jewish relations into the news A volley of discussion follows but little in the way of progress or enlightenment results and this is how things will remain until we radically revise the way we think about the complex interactions between African Americans and Jews A Right to Sing the Blues offers just such a revision Black Jewish relations Jeffrey Melnick argues has mostly been a way for American Jews to talk about their ambivalent racial status a narrative collectively constructed at critical moments when particular conflicts demand an explanation Remarkably flexible this narrative can organize diffuse materials into a coherent story that has a powerful hold on our imagination Melnick elaborates this idea through an in depth look at Jewish songwriters composers and performers who made Black music in the first few decades of this century He shows how Jews such as George Gershwin Irving Berlin Al Jolson and others were able to portray their natural affinity for producing Black music as a product of their Jewishness while simultaneously depicting Jewishness as a stable white identity Melnick also contends that this cultural activity competed directly with Harlem Renaissance attempts to define Blackness Moving beyond the narrow focus of advocacy group politics this book complicates and enriches our understanding of the cultural terrain shared by African Americans and Jews
