BRANTLEY,1976 Materials and Sustainable Development Michael F. Ashby,2015-01-19 This book from noted materials selection authority Mike Ashby provides a structure and framework for analyzing sustainable development and the role of materials in it The aim is to introduce ways of exploring sustainable development to readers in a way that avoids simplistic interpretations and approaches complexity in a systematic way There is no completely right answer to questions of sustainable development instead there is a thoughtful well researched response that recognizes concerns of stakeholders the conflicting priorities and the economic legal and social aspects of a technology as well as its environmental legacy The intent is not to offer solutions to sustainability challenges but rather to improve the quality of discussion and enable informed balanced debate Winner of a 2016 Most Promising New Textbook Award from the Textbook and Academic Authors Association Describes sustainable development in increasingly detailed progression from a broad overview to specific tools and methods Six chapter length case studies on such topics as biopolymers electric cars bamboo and lighting vividly illustrate the sustainable development process from a materials perspective Business and economic aspects are covered in chapters on corporate sustainability and the circular materials economy Support for course use includes online solutions manual and image bank Research Handbook on Entrepreneurship and Leadership Richard T. Harrison,Claire M. Leitch,2019 This Research Handbook argues that the study of entrepreneurs as leaders is a gap in both the leadership and the entrepreneurship literatures With conceptual and empirical chapters from a wide range of cultures and entrepreneurship and leadership ecosystems the Research Handbook for the first time produces a systematic overview of the entrepreneurial leadership field providing a state of the art

perspective and highlighting unanswered questions and opportunities for further research It consolidates existing theory development stimulates new conceptual thinking and includes path breaking empirical explorations   **Syria** ,1919
