Thirteen Steps Down Ruth Rendell, 2010-04-23 From the multi award winning author of *The Babes in the Wood* and *The Rottweiler* a chilling new novel about obsession superstition and violence set in Rendell's darkly atmospheric London Mix Cellini which he pronounces with an S rather than a C is superstitious about the number 13 In musty old St Blaise House where he is the lodger there are thirteen steps down to the landing below his rooms which he keeps spick and span His elderly landlady Gwendolen Chawcer was born in St Blaise House and lives her life almost exclusively through her library of books so cannot see the decay and neglect around her The Notting Hill neighbourhood has changed radically over the last fifty years and 10 Rillington Place where the notorious John Christie committed a series of foul murders has been torn down Mix is obsessed with the life of Christie and his small library is composed entirely of books on the subject He has also developed a passion for a beautiful model who lives nearby a woman who would not look at him twice Both landlady and lodger inhabit weird worlds of their own But when reality intrudes into Mix's life a long pent up violence explodes

13 Steps Down Ruth Rendell, 2009-03-04 Mix Cellini has just moved into a flat in a decaying house in Nottinghill where he plans to pursue his two abiding passions supermodel Nerissa Nash whom he worships from afar and the life of serial killer Reggie Christie hanged fifty years earlier for murdering at least eight women Gwendolen Chawcer Mix's eighty year old landlady has few interests besides her old books and her new tenant But she does have an intriguing connection to Christie And when reality intrudes into Mix's life he turns to Christie for inspiration and a long pent up violence explodes Intricately plotted and brilliantly written *13 Steps Down* enters the minds of these disparate people as they move inexorably toward its breathtaking conclusion
