Three Hostages:

The Three Hostages John Buchan, 2015-04-24 The fourth of the five Richard Hannay novels by John Buchan Here we find our hero Richard Hannay living a quiet life in the countryside with a wife and young child but his past comes back to haunt him and he once more must face up to an arch enemy

The Three Hostages John Buchan, 2017-11-12 That evening I remember as I came up through the Mill Meadow I was feeling peculiarly happy and contented It was still mid March one of those spring days when noon is like May and only the cold pearly haze at sunset warns a man that he is not done with winter The season was absurdly early for the blackthorn was in flower and the hedge roots were full of primroses The partridges were paired the rooks were well on with their nests and the meadows were full of shimmering grey flocks of fieldfares on their way north I put up half a dozen snipe on the boggy edge of the stream and in the bracken in Sturn Wood I thought I saw a woodcock and hoped that the birds might nest with us this year as they used to do long ago It was jolly to see the world coming to life again and to remember that this patch of England was my own and all these wild things so to speak members of my little household
