first popular diet book to show that fat was and is the major culprit in the American diet All calories Dr Martin Katahn told us  
are not created equal his metabolic studies showed that the fat we consume in our food as opposed to the carbohydrate and  
protein is converted most efficiently to body fat and may lead to such conditions as cancer hypertension heart disease and  
diabetes The T Factor Fat Gram Counter tells you everything you need to know to cut the hidden fat out of your food It also  
provides a brief overview of vital diet and exercise principles and target levels of fat consumption for men and women at  
varying body weights Once you understand the role of dietary fat you are liberated forever from the need to cut calories or  
even restrict your overall intake of food Spend a few minutes a day checking the fat levels in various foods and making  
sensible choices and you are well on your way to a longer happier and healthier life Diets that Work Deralee
