## **The Godhead:**

*The Godhead* Elwin Shull, What is the biblical truth of the Godhead This study examines the Godhead God the Father God the Son and God the Holy Spirit This unchanging Trinity is one in thought in character and in purpose Ultimately the Godhead is LOVE giving redemption and salvation to any and all who have departed from this love and law of love if they truly desire it This free gift of forgiveness and salvation cost the Godhead more than we could ever imagine They created the universe and everything in it yet would allow a part of themselves to be crucified and die for even one of us In this book the author strives to share WHO the Godhead is WHAT they do and HOW very much they love us and want us ALL to be saved

**The Godhead** Rev. Jay Werman,2021-12-10 This is one of the most complete books on the detailed explanation of the Godhead Here we explain the plurality of the personal pronoun I h ym and its usage in each passage used in relation to the Godhead Also all the passages in the Old Testament and the New Testament that refer to the Godhead We explain the full context of Genesis 18 1 8 19 1 3 Exodus 24 9 11 The use of over 250 names related to the Godhead Biblical evidence for the plurality of persons in the Godhead in full context The visible manifestation of God to Moses in Exodus 33 74 eyewitnesses in Exodus 24 9 11 Abraham in Genesis 18 Explanation of Judges 6 22 23 Genesis 32 22 30 A solid knowledge essential for those who really want to know more about the Scriptures Among other things

**The Trinity of the Godhead** Torbjorn Fjellstrom,2025-11-21 The Trinity of the Godhead not only elucidates the basics of Vedic thought but also offers a temptingdose of Vaishnava esoterica as well Consequently what we have here is a delectable introduction to the worship of Krishna especially as found at the feet ofthe author s masters Swami Bhavyananda Walther Eidlitz Vamandas Swami Sadananda Krishnadas Madrasibaba Haripada Bengalibaba and Krishnadas Sastri [The Flowing Light of the Godhead](#) Mechthild (of Magdeburg),1998 Here is the first English translation based on the new critical edition of *The Flowing Light of the Godhead* the sole mystical visionary work of Mechthild a 13th century c 1260 c 1282 94 German Beguine This challenging work of deep religious insight reflects Mechthild s inner life and God s as well employing a great variety of traditional medieval literary forms and genres in prose and verse

*The Godhead* Albert Gardner,E. Claude Gardner,2011-08-12 The word Trinity is never used in Scripture to refer to God but the term Godhead is used to express the fact that there are three Persons yet one God Though we may not fully understand it we accept it by faith because the Bible teaches it Acts 17 29 Colossians 2 9 Daniel 9 25 We should never fall into the trap of thinking there are three Gods There is one God Ephesians 4 6 and that one God consists of three Persons the Father Son and Holy Spirit Each of them the Father Son and Holy Spirit is called God Each of them is said to be eternal Attributes of deity are attributed to all of them The evidence is great to prove the existence power and wisdom of God The testimony in behalf of Christ as God s Son is sound and solid as revealed in the gospels The Holy Spirit is said to be another of the same kind John 14 16 He is a person just like God and Christ Those who reject the existence of God have not carefully and honestly examined all the evidence available to

them in God's two books nature and Scripture A study of the Godhead is one of the most mind stretching subjects possible God is so great powerful and wonderful that we can never learn everything for his ways are past finding out Romans 11:33 Obviously this small volume does not begin to exhaust the subject We have tried to deal with some basic matters regarding the Godhead with the hope that the reader will have a deeper faith and that this will stimulate in them a deeper study It is our prayer that God will be honored and praised

[The Trinity](#) Chuck Missler,2023-01-26 Is there One God or Three How does one reconcile the One God of the Shema with the Three Persons of the Trinity The doctrine of the trinity has been at the heart of much theological controversy The routine objection is that the doctrine sacrifices monotheism to tritheism But this objection thrives on a misconception of divine personality in the image of disparate individual human selves This type of rationalistic apologetics promotive of trinitarianism on speculative rather than revelational grounds regrettably encourages this misunderstanding One of the reasons we suffer such misunderstanding is due to our relying on models Chuck explores the ostensible tensions between the Old and New Testament revelations of the ultimate mystery of the Godhead This is a foundational study for every Christian

**The Godhead** Duane S. Crowther,2026-02-26 Author Duane S Crowther Description Carefully crafted precisely written and fully documented this doctrinal resource assembles an abundance of meaningful new scriptural patterns Have any questions about the nature of the Godhead Look no further The Godhead New Scriptural Insights on the Father the Son and the Holy Ghost will not only answer your questions but it will also intrigue you with insights you may not have pondered before Christian beliefs about God attributes and physical natures of Godhead members individual insights on God the Son God the Holy Ghost and God the Father and the ultimate objectives of divinity New doctrines No they've been in the scriptures for centuries But profound new insights By the hundreds The Godhead shows historically and scripturally how allegorical interpretation methodologies of trinity advocates altered the major doctrines of Christianity causing them to discount the many literal biblical statements concerning the nature of God Other major contributions of The Godhead include its numerous insights on premortal events its compilation of hundreds of scriptures showing the physical nature of God and its in depth scriptural demonstration that Jesus is Jehovah More key insights treat the essential attributes of Godhead members their spirit nature their threeness and oneness relationships the varied fatherhood roles of Jesus Christ the nature of glory Christ's roles among the Gods and how mankind can attain Godhood Author Duane S Crowther is widely known for his in depth doctrinal studies on many topics including his books Prophecy Key To the Future Life Everlasting and Prophets and Prophecies of the Old Testament

[The Christian Godhead](#) Harold H. Swanson,2010 The physical resurrection of Jesus Christ forever changed the nature of the Godhead Indeed the birth and death of Jesus Christ changed the nature of the Godhead But His physical resurrection changed it forever The simple truth is that within the nature of the Godhead Jesus Christ has a physical resurrected body of flesh and bones How does His physical resurrected body affect the nature of the Godhead Is God a spirit If Jesus Christ is the Oneness God or a

third part of the Trinity God how can either of these Gods be a spirit when Jesus Christ has a resurrected body of flesh and bones It is impossible If the Oneness God or the Trinity God is a spirit then Christ is a spirit which means He died a second time His body and spirit would have separated a second time The Oneness and Trinity doctrines are really descriptions of a failed resurrection and atonement The good news is that Christ being raised from the dead dieth no more Romans 6 9 10 This being so what is really the true nature of the Godhead with a physical Christ Now is the time find out by reading this book

**The God-Man** Robert Spearman,2006-12-03 Oneness Pentecostalism *The Ages of the World* Friedrich Wilhelm Joseph Von Schelling,2000-01-01 Schelling s never completed masterpiece translated here with an introduction covering Schelling s life other works and a brief analysis of *The Ages of the World* by Wirth philosophy Ogelthorpe U explores the question of time as the relationship between poetry and philosophy Contemporary philosophers herald this work as a predecessor to the modern debates about post modernity and the limits of dialectical thinking [God and the Mathematics of Infinity](#) H. Chris Ransford,2017-03-28 Drawing on the science and mathematics of infinity H Chris Ransford analyzes the traditional concept of godhood and reaches surprising conclusions He addresses humankind s abiding core debate on the meaning of spirituality and God Using mathematics he explores key questions within this debate for instance why does evil exist if there is a God The book fastidiously does not take sides nor proffers opinions it only follows allowable mathematics wherever it leads By doing so it makes a major contribution to an understanding of the nature of reality *The Godhead: a Devotional Study* Noel Williams,2015-04-03 Although the word Godhead is a noun it is never used as a noun in scripture Godhead is used as an adjective to describe the Person in charge of this great eternal power So not even the word Godhead can adequately describe this Person for the noun must be greater than any adjective used to describe it The name Jesus is far above any other name Heb 1 4 Phil 2 9 Jesus is the housing for the Godhead He heads all principalities and powers and carries the office of eternal power within himself **The Female Mystic** Andrea Janelle Dickens,2009-05-30 The Middle Ages saw a flourishing of mysticism that was astonishing for its richness and distinctiveness The medieval period was unlike any other period of Christianity in producing people who frequently claimed visions of Christ and Mary uttered prophecies gave voice to ecstatic experiences recited poems and songs said to emanate directly from God and changed their ways of life as a result of these special revelations Many recipients of these alleged divine gifts were women Yet the female contribution to western Europe s intellectual and religious development is still not well understood Popular or lay religion has been overshadowed by academic theology which was predominantly the theology of men This timely book rectifies the neglect by examining a number of women whose lives exemplify traditions which were central to medieval theology but whose contributions have tended to be dismissed as merely spiritual by today s scholars In their different ways visionaries like Richeldis de Faverches founder of the Holy House at Walsingham or England s Nazareth the learned Hildegard of Bingen Hadewijch of Brabant exemplary voice of the Beguine tradition of love mysticism charismatic traveller and pilgrim Margery

Kempe and anchoress Julian of Norwich all challenged traditional male scholastic theology Designed for the use of undergraduate student and general reader alike this attractive survey provides an introduction to thirteen remarkable women and sets their ideas in context

**The Mystery of the Godhead** Leslie Dutcher,2024-05-23 This narrative is about the mystery of the Godhead understanding the Godhead what is God s name and who is God Many people believe that all gods are the same but this is not true Different religions have different names for the gods they worship Some religions call their god Allah or Buddha or Jehovah etcetera However there is only one true God As Christians the first thing we should understand is that the Godhead is a mystery designed by God 1 Timothy 3 16 And without controversy great is the mystery of godliness God was manifest in the flesh justified in the Spirit seen of angels preached unto the Gentiles believed on in the world received up into glory KJV The Apostle wrote great is the mystery of Godliness This verse is saying the Godhead is a mystery designed by God Let us try and figure out why God made the Godhead a mystery
