Not Your Father's Coast Guard Matthew Mitchell,2009 While the Coast Guard s many battles at sea in the War on Drugs are widely known its participation in the ground offensive is not Indeed the Guard didn t just send its cutters to interdict narcotics laden vessels attempting to bring their illicit cargo into Uncle Sam s territorial waters it sent ground troops to foreign lands to train their forces and when necessary directly engage the enemy But to create the type of force needed was no small task and would not be without tribulation both from within and outside the organization The road traveled to complete the mission was laden with obstacles This is not a story about the Coast Guard you know or think you know Rather this is a story about the other side the side that history nearly forgot not the standard but the antithesis of standard It is a story that will undoubtedly make even the most seasoned Coast Guardsmen question their understanding of the organization to which they belong To be sure This is not your father s Coast Guard

Coast Guard on the Texas Border, The Jackie Kyger, 2021

The Revenue Cutter Service, which later merged with the U.S. Life Saving Service to form the Coast Guard, patrolled South Texas as early as 1846. In 1852, the first lighthouse was built in Point Isabel, followed by the first lifesaving station in 1881. Salute the heroes who responded to the devastating hurricane of 1919 and stand watch with Chief Pablo Valent, the first Hispanic American to command a rescue station. From Commander Charles R. Wilson's oral history of World War II boot camp to the legacy of station keeper Wallace L. Reed, the longest serving officer in charge, Dr. Jackie Kyger preserves the heritage of the men and women whose unofficial motto was Law and Order on the Border.
