**The Communicative Syllabus** Janice Yalden,1983

**The Communicative Syllabus** Janice Yalden,1987

**Language Curriculum Design and Socialisation** Peter Mican,2012-11-23 This book applies social theory to curriculum design and sets out a program for language curriculum renewal for the 21st century It includes many examples of text based curricula and describes a plan for curriculum renewal based on texts as the unit of analysis for planning for teaching and for assessment Underpinned by Halliday s semiotic theory of language the book combines the theory of language as a resource for meaning making with learning language as learning to mean The curriculum design constructs curriculum around social practices and their texts rather than presenting language as grammatical and lexical objects This work will provide teachers teacher educators and curriculum planners with a curriculum model for teaching children and adults in different contexts from preschool to adult education as well as serving as a practical guide for students

**Communicative Methods In ELT An Indian Perspective** Mubeena Fazili,2007 There Is No Denying The Fact That The ELT World Has Changed Drastically From The Teacher Oriented To A More Learner Oriented One Unfortunately India Is Too Slow To This Change Barring A Few Educational Institutions We Continue To Carry On With The Old And Outdated Methods And Materials English Is Still Taught Here As A Content Subject Rather Than A Language Subject No Doubt The Shift Is Not Easy To Achieve In Fact It Is Not As Much A Change In Materials As A Change In The Total Outlook And Behaviour It Implies Looking At Language From A Whole New Perspective It Is Against This Backdrop That The Present Book Has Been Written It Aims At Providing An Insight Into Existing Language Teaching In India It Discusses At Length All The Issues Related To The Indian Curriculum Problems That Are Likely To Be Faced By Teachers Students And Curriculum Framers In Adopting This Method Are Discussed Thread Bare And Proper Solutions Provided It Is Hoped That The Book Will Be Of Great Help To Researchers Scholars And Syllabus Framers Besides Being A Reference Book For Students Of English Language And Linguistics

**Reflections on Task-Based Language Teaching** Rod Ellis,2018-06-18 Task based language teaching is now a well established pedagogic approach but problematic issues remain such as whether it is appropriate for all learners and in all instructional contexts This book draws on the author s experience of working with teachers together with his knowledge of relevant research and theory to examine the key issues It proposes flexible ways in which tasks can be designed and implemented in the language classroom to address the problems that teachers often face with task based language teaching It will appeal to researchers and teachers who are interested in task based language teaching and the practical and theoretical issues involved It will also be of interest to students and researchers working in the areas of applied linguistics TESOL and second language acquisition

**Innovation in English Language Teaching** David Hall,Ann Hewings,2013-10-18 This reader provides both theoretical perspectives and practical tools for analysing and understanding how ELT classroom curricula can be analysed developed and evaluated The commissioned and classic texts place curriculum change in a

philosophical framework and also explore the political and institutional considerations A series of case studies are provided to highlight both the role of the teacher in curriculum innovation and various processes of planning and implementation The final section deals with evaluating curriculum and syllabus change

*Language and Discrimination* Celia Roberts, 2014-09-25 *Language and Discrimination* provides a unique and authoritative study of the linguistic dimension of racial discrimination Based upon extensive work carried out over many years by the Industrial Language Training Service in the U K this illuminating analysis argues that a real understanding of how language functions as a means of indirect racial discrimination must be founded on an expanded view of language which recognises the inseparability of language culture and meaning After initially introducing the subject matter of the book and providing an overview of discrimination and language learning the authors examine the relationship between theory and practice in four main areas theories of interaction and their application ethnographic and linguistic analysis of workplace settings training in communication for white professionals and language training for adult bilingual workers and job seekers Detailed case studies illustrate how theory can be turned into practice if appropriate information research development and training and co ordinated in an integrated response to issues of multi ethnic communication discrimination and social justice

**The Negotiated Curriculum an Alternative Approach to the Planning, Implementation and Evaluation of Second/foreign Language Instruction** Aleksandar Ilich, 1990 [Russian Language Teaching Methodology and Course Design](#) James Davie, Neil Landsman, Lindsay Silvester, 1999

**Benefits of Model Syllabi** Michael J. Strada, 2006-08-24 No detailed examination of course syllabi in academia exists a void that *Benefits of Model Syllabi* seeks to fill This comprehensive and timely work defines explains and illustrates the concrete features exhibited by model syllabi in contrast to routine syllabi in an effort to demonstrate how model syllabi foster positive synergies and enhance teaching and learning experiences This work also infuses the dialogue about model syllabi with peripheral vision to reveal applications beyond the classroom walls Intended for instructional development centers higher education libraries instructors policy makers and department chairs this book shows how model syllabi provide tools to widen and deepen the process whereby teaching is appraised in higher education *Benefits of Model Syllabi* also shows how they can forge an unobtrusive feedback loop back to the classroom and strengthen curricular integration by establishing a fulcrum with which academic levels that often operate randomly courses programs general studies can be blended more meaningfully
