**Alan Convery**

## **The Conservative Party Politics Today:**

**The Conservative Party and the nation** Arthur Aughey,2018-04-03 This book re examines the claim of the Conservative Party to be the national party and in its politics to express the enduring national interest It explores the historical character of the Conservative Party in particular the significance of the nation in its self understanding It addresses the political culture of the modern party one which proclaims a Unionist vocation but rests mainly on English support and considers how the Englishness of the party is reconciled with the politics of British statecraft It considers the constitutional challenges which the Conservative Party faces in managing a changing Union in negotiating a changing Europe and in defining a changing national interest The book is essential reading not only for students and scholars of the Conservative Party but also for those who want to make sense of the transformations taking place in modern British politics *The Conservative Party* Tim Bale,2013-05-08 The Conservatives are back but how did they do it and what took them so long What happened between the party s decision to dump one of the world s most iconic leaders Margaret Thatcher and the arrival in office of David Cameron at the head of the UK s new coalition government Has Britain s prime minister really changed his party as much as he claims Are they devotees of the Big Society or just the same old Tories keen on cuts and obsessively Eurosceptic The answers as this accessible and gripping book shows are as intriguing and provocative as the questions Based on in depth research and interviews with the key players Tim Bale explains why the Tories got themselves into so much trouble in the first place and how they were finally able to get things back on track In the new paperback version he also explores their inability to win an outright victory at the 2010 election and looks at their decision to share power with the Liberal Democrats The Conservative Party From Thatcher to Cameron is a must read for anyone wanting to understand what makes the Tories tick And it contains valuable lessons about what to do and what not to do for their Labour opponents

**British Party Politics and Ideology after New Labour** S. Griffiths,K. Hickson,2009-11-18 British Party Politics and Ideology after New Labour brings together academics and politicians to debate the intellectual roots of the ideas that currently drive the main UK political parties With major players responding to the arguments raised in each chapter the book will be a must read for anyone interested in or teaching British politics **The territorial Conservative Party** Alan Convery,2016-07-15 How did the territorial Conservative Party adapt to devolution This detailed analysis of the Scottish and Welsh Conservative Parties explains how they moved from campaigning against devolution to sitting in the Scottish Parliament and Welsh Assembly Tracing the processes of party change in both parties this study explains why the Welsh Conservatives unexpectedly embraced devolution while the Scottish Conservatives took much longer to accept that Westminster was no longer the priority This book will be of interest to students of British Scottish and Welsh politics and anyone who is interested in the Conservative Party It also speaks to wider debates about the nature of devolution party change and multi level governance *Understanding British Party Politics* Stephen Driver,2011-05-16 This is an excellent

text which charts a safe path for students through the minefield that is contemporary British party politics in a wonderfully efficient yet engaging way Colin Hay University Of Sheffield

**The Greening of British Party Politics** Mike Robinson,1992 This work based on over 60 interviews between 1986 and 1990 with politicians from each of the major British political parties is concerned with an examination of the environmentalism politics interface and how the major parties are responding in real terms to the environmental challenge

*Politics UK* Bill Jones, Philip Norton,2014-06-20 The revised and updated eighth edition of the bestselling textbook *Politics UK* is an indispensable introduction to British politics It provides a thorough and accessible overview of the institutions and processes of British government a good grounding in British political history and an incisive introduction to the issues facing Britain today With contributed chapters from respected scholars in the field and contemporary articles on real world politics from well known political commentators this textbook is an essential guide for students of British politics The eighth edition welcomes brand new material from eight new contributors to complement the rigorously updated and highly valued chapters retained from the previous edition The eighth edition includes Britain in context boxes offering contrasting international perspectives of themes in British politics A comprehensive who's who of politics in the form of Profile boxes featuring key political figures And another thing pieces short articles written by distinguished commentators including Jonathan Powell Michael Moran and Mark Garnett Fully updated chapters plus new material providing excellent coverage of contemporary political events including The Leveson Inquiry the aftermath of the 2011 riots and the House of Lords reform A vibrant and accessible new design to excite and engage students as they work through a variety of political topics A new epilogue to the book offering a critical perspective of the trials and tribulations of the Coalition Government including an overview of the major differences that divide the coalition partners
