Fighting with the Filthy Thirteen Jack Womer, Stephen C. DeVito, 2012-05-18 Womer reveals his own inside account of fighting as a spearhead of the Screaming Eagles in Normandy Holland and the Battle of the Bulge Tucson Citizen In 2004 the world was first introduced to *The Filthy Thirteen* a book describing the most notorious squad of fighting men in the 101st Airborne Division and the inspiration for the movie *The Dirty Dozen* Now Jack Womer one of the squad's integral members and probably its best soldier delivers his long awaited memoir Originally a member of the 29th Rangers which was suddenly dissolved Womer asked for transfer to another elite unit the Screaming Eagles where room was found for him among the division's most miscreant squad of brawlers drunkards and goof offs Beginning on June 6 1944 however the Filthy Thirteen began proving themselves more a menace to the German Army than they had been to their own officers and the good people of England embarking on a year of ferocious combat at the very tip of the Allied advance in Europe In this work with the help of Stephen DeVito Jack provides an amazingly frank look at close quarters combat in Europe as well as the almost surreal experience of Dust Bowl era GI's entering country after country in their grapple with the Wehrmacht finally ending up in Hitler's mountaintop lair in Germany itself Jack Womer's story is entertaining honest and forthright just like the man He does not shrink from describing what actually happened although occasionally one suspects just a hint of artistic license However there is nothing which is unbelievable given the chaotic and random nature of war Army Rumour Service **The Routledge**
