The Hearts Victory:

The Heart's Victory Nora Roberts, 2013-02-28 AVAILABLE DIGITALLY FOR THE FIRST TIME Cynthia Foxy Fox made a play for racecar driver Lance Matthews as a teenager but Lance just saw her as his friend's kid sister. Now the years have passed, Foxy is long recovered from her broken heart and has become a professional photographer. But when she's assigned to cover the racing season, Lance jumps at the chance of convincing the one woman he can't forget that he's worth a second lap. Includes a preview of *Whiskey Beach* published in April 2013. [Straight from the Heart](#) Ajaan Mahā Boowa

Ñāṇasampanno, This collection of talks was originally given for the benefit of a lay disciple who had come to Ajaan Mah Boowa's monastery to receive his guidance as she faced her approaching death from bone marrow cancer. These talks offer important lessons about how to learn from pain, illness, and death by seeing through to their ultimate nature and detaching the mind from the suffering associated with them. [From the Heart](#) Jeffrey L. Kosky, 2025-02-25 What does it mean to have a heart? How does it feel when a heart fails, and what does it take to recover? In a world beset by never-ending crises, personal and collective, local and global, is heartlessness the only option? *From the Heart* weaves together a personal narrative of a life-threatening ailment with considerations of philosophy, art, and science to contemplate ultimate questions: matters of life and death. Jeffrey L. Kosky recounts his brush with death, the surgical repair of a congenital defect in his aortic valve, his gradual recovery of everyday life, and his struggle to find the heart to go on throughout it all. To make sense of the experience, he immerses himself in humanistic inquiry and medical science, the histories of medicine, cardiac surgery, and knowledge of the human heart, as well as the works of artists, writers, philosophers, and theologians. Writing about the experience of being human from the precarious position of his own woundedness, Kosky shares hard-earned perspectives on what matters most. Combining moving memoir encounters with major authors and artists and heartfelt reflections on the big questions of existence, this elegantly written book is at once erudite and powerful. It shows us why the heart, in physical, emotional, and metaphorical senses, helps us come to terms with sickness and health, dying and living. [Heart's Victory](#) Nora Roberts, 1992

The Law of the Heart Sam B. Girgus, 1979-05-01 *The Law of the Heart* is a vigorous challenge to the prevailing concept of the antidemocratic image of the self in the American literary and cultural tradition. Sam B. Girgus counters this interpretation and attempts to develop a new understanding of democratic individualism and liberal humanism in American literature under the rubric of literary modernism. The image of the individual self who retreats inward, conforming to a distorted law of the heart, emerges from the works of such writers as Cooper and Poe and composer Charles Ives. Yet as Girgus shows, other American writers relate the idea of the self to reality and culture in a more complex way: the self confronts and is reconciled to the paradox of history and reality. In Girgus's view, the tradition of pragmatic humanistic individualism provides a foundation for a future where individual liberty is a major priority. He uses literary modernism as a bridge for relating contemporary social conditions to crises of the American self and culture, as seen in the works of writers

including Emerson Howells Whitman Henry James William James Fitzgerald Bellow and McLuhan

The Heart of a Father Karl Thompson,2019-12-31 A book on the heart of a father can be multidimensional The two areas that I will focus on are faith and finances which are key to becoming productive citizens God placed us on earth to occupy and have dominion over it We were created to be citizens of God s kingdom Therefore as believers we have dual citizenship status Despite geographic boundaries we have one common homeland called earth and one common fatherland called heaven Citizenship has responsibilities It requires strong faith in God our creator On earth we are required to carry out responsibilities as part of our dominion mandate We are required to meet our financial responsibilities and respect and love each other That means we must be financially educated We must demonstrate prudent use of the gifts that he has given us and attest to his goodness Man has yet to demonstrate true citizenship
