essentially good place **The Hidden Gift** Kalamos Kalamos,2018-01-19 Excerpt from The Hidden Gift And Other Poems
The hymn entitled the Hidden Gift having been received with approbation I have yielded to advice and have adopted that heading as a title for this little book I venture to hope indeed that some of its other contents will be esteemed as not unworthy the writing of much better known authors of poetical works but that is a secondary consideration The poet has often the privilege of stating in few words truth which may dwell in the memory of the reader by mere force of rhythmical expression whereas the same truth if shortly expressed in prose might be passed over as commonplace while if expanded into a paragraph it would be too long for familiar quotation Hence I deem it fitting to endeavour to express in verse what might more commonly be limited to prose About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Hidden Gift Charles Merrill,2003-08 Tim Meller is a boy headed to adolescence carrying a backpack of deep sorrows ever since his parents deaths nothing has been the same On his way for the first time to a boarding school his Grandfather enrolled him at Tim learns secrets behind his family s past secrets that may have to do with a Gift granted to Tim at birth On his way to unveiling these secrets he finds but more of them the secrets of himself Now he must embark on a quest to fulfill his destiny and discover himself **The Hidden Gift** Annette K Larsen,2024-10-14 What if Father Christmas s quest to help the downtrodden started with his love for one girl In the quaint village of Tethurn Annabelle has always been the steadfast pillar of her family unafraid of hard work and sacrifice But when her father falls gravely ill her family s already tenuous situation becomes dire Annabelle knows she cannot afford to lose her position as a maid but a spiteful butler threatens her livelihood Amidst the chaos she finds an unexpected ally in Nicolai Closs a gentleman whose kindness offers her a glimmer of hope and a cherished friendship Despite the expectations and obstacles that stand in their way Annabelle dreams not only of saving her family but also of winning Nicolai s heart But with food scarce and hope even scarcer will Annabelle be expected to sacrifice more than she can bear so that her sisters don t starve And how can she be sure Nicolai s attentions aren t merely pity The Hidden Gift reimagines the origin of Father Christmas and St Nick where resilience love and the enduring strength of the human spirit light the path through the darkest of times and the harsh realities of life are met with unwavering hope kindness and love The Hidden Gift is part of The Christmas Chronicles a multi author series of clean romantic Christmas themed fairytale retellings A *Hidden Gift* Suzy Augustin,2013-03-01 A hidden gift explores how God works in our lives Each person is given a special gift with a purpose Sometimes the gift is clear other times hidden These gifts are always meant to make us stronger and resilient

I believe that life's obstacles, trials, and pains are all blessings in disguise. If you are blessed to see these as gifts, then you will be less angry and more patient. When you have the opportunity to find them, you will become more understanding, loving, and the road will be easier to travel. I am thankful that I was given the chance to find my hidden gift, my handicapped son Michael.

The Hidden Gift: Developing Your Full Potential Dr. Ana Garcia Dtm, 2018-10-05. All through our lives, we are conditioned by the people and institutions around us to fit the Status Quo. In order to be accepted by others, we develop masks which conceal the person who we really are, and somehow manage to lose ourselves in the busy and frantic process of living. We seek approval and try to please others; we accumulate negative emotions such as confusion, regret, frustration, unhappiness, resentment, and anger.
