The Hidden Spring:

The Hidden Spring Mark Solms, 2021-02-16 A revelatory new theory of consciousness that returns emotions to the center of mental life For Mark Solms one of the boldest thinkers in contemporary neuroscience discovering how consciousness comes about has been a lifetime quest Scientists consider it the hard problem because it seems an impossible task to understand why we feel a subjective sense of self and how it arises in the brain Venturing into the elementary physics of life Solms has now arrived at an astonishing answer In *The Hidden Spring* he brings forward his discovery in accessible language and graspable analogies Solms is a frank and fearless guide on an extraordinary voyage from the dawn of neuropsychology and psychoanalysis to the cutting edge of contemporary neuroscience adhering to the medically provable But he goes beyond other neuroscientists by paying close attention to the subjective experiences of hundreds of neurological patients many of whom he treated whose uncanny conversations expose much about the brain's obscure reaches Most importantly you will be able to recognize the workings of your own mind for what they really are including every stray thought pulse of emotion and shift of attention *The Hidden Spring* will profoundly alter your understanding of your own subjective experience *The Hidden Spring* Roberto Bracco, 1907 *Murder Comes by Mail (The Hidden Springs Mysteries Book #2)* A. H. Gabhart, 2016-05-17 A Cozy Mystery Complete with a Small Town Full of Charming Quirky Characters Deputy Sheriff Michael Keane doesn't particularly enjoy being touted as the hero of Hidden Springs after pulling a suicidal man back from the edge of the Eagle River bridge in front of dozens of witnesses a few of whom caught the breathtaking moments with their cameras But the media hype doesn't last long as a new story pushes its way into the public consciousness of Hidden Springs concerned citizens Photos of a dead girl arrive in the mail and Michael becomes convinced she was murdered by the man he saved With a killer one step ahead things in Hidden Springs begin to unravel Now Michael must protect the people he loves because the killer could be targeting one of them next Readers will love racing along with Deputy Sheriff Keane as the clock ticks in this page turning mystery *The Magic Cat of the Hidden Springs Inn and Spa* Kari Kilgore, 2021-11-17 A Blizzard of Love A cozy night of reading suits Henry Satterfield just fine as a Christmas Eve blizzard settles in He hopes no one shows up at the inn to disrupt his solitude Steve Lake fights the snowbound interstate and changing his plans to get home to Tennessee The prospect of a warm place for the night eases his disappointment Zortea the Magic Cat knows best when romantic sparks fly Will Henry and Steve heed Zortea's sensible advice or miss their chance for happily ever after Also available in the collection *A Kaleidoscope of Cat Tales Five Stories of Cats and People Who Love Them* An excerpt from *The Magic Cat of the Hidden Springs Inn and Spa* Exit to the Best Holiday Gift of All Accommodations Two big chain hotels both probably booked solid in this storm Steve squinted trying to catch the text on a third logo that promised it was only 0.3 miles away *The Hidden Springs Inn and Spa* complete with a cartoon image of steaming hot water Steve groaned and closed his eyes for a quick second He didn't care one bit whether that meant a

commercial hot tub a hotel bathtub or an actual hot spring He wouldn't mind if the inn cost ten times what any of the chains did He couldn't think of anything he'd rather do than soak this rotten drive away He'd call his parents and break the bad news once he was able to pry his fingers loose from the steering wheel Steve simply couldn't face one more mile in a freak blizzard tonight Please oh please kind sir Tell me you have room at your inn for one more wandering soul tonight **Murder at the Courthouse (The Hidden Springs Mysteries Book #1)** A. H. Gabhart,2015-10-13 After a few years as a police officer in Columbus Michael Keane has no trouble relaxing into the far less stressful job of deputy sheriff in his small hometown After all nothing ever happens in Hidden Springs Kentucky Nothing that is until a dead body is discovered on the courthouse steps Everyone in town is a little uneasy Still no one is terribly worried after all the man was a stranger until one of their own is murdered right on Main Street As Michael works to solve the case it seems that every nosy resident in town has a theory When the sheriff insists Michael check out one of these harebrained theories his surprising discovery sends him on a bewildering search for a mysterious killer that has him questioning everything he has ever believed about life in Hidden Springs Bringing with her a knack for creating settings you want to visit and an uncanny ability to bring characters to life A H Gabhart pens a whodunit that will keep readers guessing **The Hidden Spring** Clarence Budington Kelland,1915
