

A person is walking away from the camera on a paved path in a park. The path is lined with trees that have vibrant autumn foliage in shades of orange, red, and yellow. In the distance, other people can be seen walking on the path. The sky is a pale, overcast grey. The overall mood is contemplative and serene.

The More Excellent Way:

The More Excellent Way; Or, Links in Love's Chain ... More excellent way, Way, 1862 **A More Excellent Way** Steven Biggs, 2025-11 Confusion about spiritual gifts tongues and worship is nothing new Many believers wrestle with questions like Are all the gifts of the Spirit still active today What is the true purpose of tongues How should the church order its worship in a way that honours Christ In **A More Excellent Way** Steven Biggs takes readers directly to Scripture walking carefully through 1 Corinthians 12-14 to discover what the apostle Paul actually taught Written with clarity and a pastor's heart this book is designed for Christians who look for biblical answers rather than personal speculation or tradition Clear exposition of each chapter showing how Paul addressed the Corinthian church's misuse of gifts Practical insights into the nature of tongues prophecy and the higher way of love Guidance for churches seeking to order their worship in line with God's Word Whether you are coming out of the Charismatic Movement questioning long held assumptions or simply desiring to understand Scripture more deeply this guide offers a gentle yet firm path to the truth Discover why Paul urged believers to pursue love above all and why that way is truly the more excellent way **The More Excellent Way**, 2006-10 This book investigates why unlike in the early centuries the ethical behavior of Christians today is so little different from that of non-Christians It does this by first reviewing the teachings of Jesus about how Christians are to live and the positive response of early Christians to these teachings The major portion of the book then documents how the rise of asceticism and the proliferation of church law came to eclipse Jesus' teachings of serving others through unselfish love It reviews how Chrysostom Augustine Luther and others tried to return the church to the New Testament way of life The book reaches two conclusions Christians today prefer to live by only avoiding the gross evils forbidden by the Ten Commandments rather than by Jesus' all-inclusive New Commandment of loving one another as he loved us They are also willing to offer God the piety of churchly activity but what God also asks a life of goodness serving one's fellowman they feel is just asking too much **A More Excellent Way** Lowell D. Grant, 2014-04-23 For years far too many believers have argued and even fought over whether the spiritual gifts were only for the first century or whether they are still available to us today However in doing this they have been missing the main message of this passage there is A MORE EXCELLENT WAY available to believers whether they lived in the first century or in any other century from that time until the end of time Having a right relationship with God through the Lord Jesus Christ you have the potential to live your life according to the good and perfect will of God Lest I should be misunderstood from the beginning let me say that I approve of the Scriptural usage of every spiritual gift that God has given to the church However I must hasten to say that I also believe that the Apostle Paul introduces us to A MORE EXCELLENT WAY in I Corinthians 12:31 We'll be talking about that concept throughout our study **The More Excellent Way** George Allen Turner, 1952 *The Most Excellent Way to Lead* Perry Noble, 2016-03-01 Speakers often use the words vision boldness and influence to describe the characteristics of effective leaders Perry Noble in *The Most Excellent Way to*

Lead makes the case that the heart of great leadership lies elsewhere Perry despite winning the label least likely to succeed in high school beat the odds against him Today he inspires thirty five thousand people every weekend to live for something greater than themselves He credits this achievement to the leadership principles he has learned from the Bible Surprisingly the essence of leadership that produces genuine growth is buried in a Bible chapter often read at weddings In this groundbreaking book Perry walks us through that leadership chapter describing the fifteen qualities of an inspirational leader Whether you are an entrepreneur or a new parent this book will encourage you to see every opportunity in life as a chance to lead in the most excellent way
