**The Multinational Enterprise and Legal Control** Cynthia Day Wallace, 2021-10-18 This long awaited new book from Cynthia Day Wallace picks up the thread of her best selling *Legal Control of the Multinational Enterprise National Regulatory Techniques and the Prospects for International Controls* In the present work she applies herself to legal and pragmatic aspects of control surrounding MNE operations The primary focus is on legal and administrative techniques and measures practised by host states to control transparently or less so foreign MNE activity within their territories or even extraterritorially when effects are felt within national boundaries The primary geographic focus is the six most investment intensive industrialized states namely Canada France Germany Japan the United States and the United Kingdom At the same time an important message of the present study is precisely the implication for the developing countries as well as for the emerging market economies of central and eastern Europe and even Asian nations besides Japan because it is the sharing of this very experience of years that can best serve to facilitate a fuller participation on the part of the up and coming economies in the same global market place

**British Business in the Formative Years of European Integration, 1945-1973** Neil Rollings, 2007-12-10 This book questions conventional accounts of the history of European integration and British business Integration accounts normally focus on the nation state while Neil Rollings focuses on business and its role in the development of European integration which business historians have previously overlooked Business provided a key link between economic integration political integration and the process of Europeanization British businessmen perceived early on that European integration meant much more than the removal of tariffs and access to new markets Indeed British entry into the European community would alter the whole landscape of the European working environment Consideration of European integration is revealed as a complex relative and dynamic issue covering many issues such as competition policy taxation and company law Based on extensive archival research this book uses the case of business to emphasize the need to blend national histories with the history of European integration *Department of State News Letter* United States. Department of State, 1975
