# Time And Free Will

**Henri Bergson**

## **Time And Free Will:**

**Time and Free Will** Henri Bergson, Frank Lubecki Pogson, 2001-01-01 Bergson argues for free will by showing that the arguments against it come from a confusion of different conceptions of time As opposed to physicists idea of measurable time in human experience life is perceived as a continuous and unmeasurable flow rather than as a succession of marked off states of consciousness something that can be measured not quantitatively but only qualitatively His conclusion is that free will is an observable fact

**Time and Free Will** Henri Bergson, Frank Lubecki Pogson, 2025-03-29 Delve into the profound questions of existence with Henri Bergson s *Time and Free Will: An Essay on the Immediate Data of Consciousness* This seminal work explores the intricate relationship between our subjective experience of time and the enduring philosophical debate surrounding free will and determinism Bergson challenges conventional notions of time as a linear progression arguing instead for a fluid and dynamic duration that shapes our conscious experience A cornerstone of metaphysical inquiry *Time and Free Will* grapples with the very nature of consciousness and its implications for our understanding of human agency Bergson s exploration invites readers to reconsider the boundaries of our choices and the extent to which our actions are truly our own Prepare to engage with timeless philosophical questions that continue to resonate with thinkers today This meticulously prepared print edition ensures the preservation of Bergson s influential work for generations to come This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
