Understanding Vietnam

Meyer Weinberg

Understanding Vietnam:

Understanding Vietnam Neil L. Jamieson, 1993 Winner of the Outstanding Academic Book American Library Association 1994 *Understanding Vietnam* Neil L. Jamieson, 1993-01-01 Jamieson paints a portrait of twentieth century Vietnam Against the background of traditional Vietnamese culture he takes us through the saga of modern Vietnamese history and Western involvement in the country from the coming of the French in 1858 through the Vietnam War and its aftermath Throughout his analysis he allows the Vietnamese to speak for themselves through poetry fiction essays newspaper editorials and reports of interviews and personal experiences From publisher's description **Understanding Vietnam** Neil L. Jamieson, 2023-11-15 The American experience in Vietnam divided us as a nation and eroded our confidence in both the morality and the effectiveness of our foreign policy Yet our understanding of this tragic episode remains superficial because then and now we have never grasped the passionate commitment with which the Vietnamese clung to and fought over their own competing visions of what Vietnam was and what it might become To understand the war we must understand the Vietnamese their culture and their ways of looking at the world Neil L. Jamieson after many years of living and working in Vietnam has written the book that provides this understanding Jamieson paints a portrait of twentieth century Vietnam Against the background of traditional Vietnamese culture he takes us through the saga of modern Vietnamese history and Western involvement in the country from the coming of the French in 1858 through the Vietnam War and its aftermath Throughout his analysis he allows the Vietnamese both our friends and foes and those who wished to be neither to speak for themselves through poetry fiction essays newspaper editorials and reports of interviews and personal experiences By putting our old and partial perceptions into this new and broader context Jamieson provides positive insights that may perhaps ease the lingering pain and doubt resulting from our involvement in Vietnam As the United States and Vietnam appear poised to embark on a new phase in their relationship Jamieson's book is particularly timely The American experience in Vietnam divided us as a nation and eroded our confidence in both the morality and the effectiveness of our foreign policy Yet our understanding of this tragic episode remains superficial because then and now we have never grasped *Understanding Vietnam's Foreign Policy Choices Amid Sino-US Rivalry* Hoang Thi Ha, 2024-06-20 Vietnam's foreign policy towards China and the United States US involves a delicate process of reconciling and balancing competing perceptions goals and interests within the country This leads to foreign policy decisions that may respectively lean towards either China or the US depending on specific circumstances and issues while trying to maintain an overall equilibrium between the two powers Vietnam's foreign policy adopts the paradigm of cooperation and struggle in its relations with major powers and defines national security as encompassing both national sovereignty and regime security Given the common ideology and imperative of preserving political control of their respective communist parties China may be a critical partner for Vietnam in terms of regime security but is often an object of struggle on national sovereignty On the other hand the US is Vietnam's partner in

the South China Sea but an object of struggle when it comes to regime security The Vietnamese public's favourable sentiments towards the US contrasted with their distrust towards China pose a challenge for the Communist Party of Vietnam CPV in mobilizing public opinion to bolster its legitimacy while preventing any potential threat to its political authority A friendly relationship with China is essential for Vietnam's favourable external environment warranting Hanoi's accommodation and deference to Beijing on non critical issues However it has meticulously avoided dependencies and vulnerabilities to China through diversifying economic ties and engaging in soft balancing with other powers and through ASEAN Party to party links provide China with powerful access to Vietnamese leaders but the US is catching up by giving assurances to respect Vietnam's political system and strengthening party diplomacy with the CPV In its relationship with the US Vietnam prioritizes economic ties addressing war legacy issues leveraging US support to build capacities in traditional and non traditional security and avoiding geopolitical posturing that could provoke China Vietnam US relations are characterized by pragmatism with both sides prioritizing shared geopolitical and economic interests over ideological differences The sustainability of this approach is uncertain given the CPV's tightening of domestic control and the securitization of the Vietnamese state in the anti corruption campaign Vietnam has thus far benefited from the US China rivalry but it faces substantial challenges ahead including heightened vulnerabilities to an assertive China in the South China Sea and Lower Mekong potential trade tensions if Donald Trump is re elected as US president and risks in balancing its ideological ties with Beijing while maintaining its strategic alignment with the US

Understanding Vietnam [reviews] Muhammad Haji Salleh,1993 **Understanding Vietnam** Ngọc Huy Nguyễn,Stephen B. Young,1982 *Fodor's See It Vietnam, 3rd Edition* Fodor's Travel Publications, Inc,Fodor's,2012-09-04 Full color photography and a host of practical information highlight this series of user friendly travel guides which also include descriptions of local sites restaurants hostels shops and nightspots ratings of sites for value historic interest family friendly appeal and other criteria local itineraries and shopping suggestions travel suggestions transportation options and colorful maps

Asian-American Education Meyer Weinberg,1997 First historical work to analyze the entire range of Asian American education provide American readers with info about highly individual ethnic groups rather than lumping all Asian Americans together into one all inclusive category

Vietnamese Women at War Sandra C. Taylor,1999 For as long as the Vietnamese people fought against foreign enemies women were a vital part of that struggle The victory over the French at Dien Bien Phu is said to have involved hundreds of thousands of women and many of the names in Viet Cong unit rosters were female These women were living out the ancient saying of their country When war comes even women have to fight *Saigon* Nghia M. Vo,2011-08-31 Saigon since 1976 officially H Chi Minh City but widely still referred to as Saigon is the largest metropolitan area in modern Vietnam and has long been the country's economic engine This is the city's complete history from its humble beginnings as a Khmer village in the swampy Mekong delta to its emergence as a major political economic and cultural hub The city's many

transitions through the hands of the Chams Khmers Vietnamese Chinese French Japanese Americans nationalists and communists are examined in detail as well as the Saigon led resistance to collectivization and the city's central role in Vietnam's perestroika like economic reforms

Military Justice in Vietnam William Thomas Allison, 2007 A concise look at how military justice during the Vietnam War served the dual purpose of punishing U.S. soldiers' crimes and infractions while also serving the important role of promoting core American values democracy and rule of law to the Vietnamese

ARVN Robert Kendall Brigham, 2006 In this first in depth history of the ARVN from 1955 to 1975 Robert Brigham takes readers into the barracks and training centers of the ARVN to plumb the hearts and souls of these forgotten soldiers Through his command of Vietnamese language sources diaries memoirs letters oral interviews and more he explores the lives of ordinary men focusing on troop morale and motivation within the context of traditional Vietnamese society and a regime that made impossible demands upon its soldiers

Diem's Final Failure Philip E. Catton, 2002 Catton treats the Diem government on its own terms rather than as an appendage of American policy Focusing on the decade from Dien Bien Phu to Diem's assassination in 1963 he examines the Vietnamese leader's nation building and reform efforts particularly his Strategic Hamlet Program which sought to separate guerrilla insurgents from the peasantry and build grassroots support for his regime Catton's evaluation of the collapse of that program offers fresh insights into both Diem's limitations as a leader and the ideological and organizational weaknesses of his government while his assessment of the evolution of Washington's relations with Saigon provides new insight into America's growing involvement in the Vietnamese civil war

Reconfiguring Families in Contemporary Vietnam Magali Barbieri, Danièle Bélanger, 2009-03-18 Reconfiguring Families in Contemporary Vietnam chronicles and analyzes the most significant change for families in Vietnam's recent past the transition to a market economy referred to as Doi Moi in Vietnamese and generally translated as the renovation Two decades have passed since the wide ranging institutional transformations that took place reconfigured the ways families produce and reproduce The downsizing of the socialist welfare system and the return of the household as the unit of production and consumption redefined the boundaries between the public and private This volume is the first to offer a multidisciplinary perspective that sets its gaze exclusively on processes at work in the everyday lives of families and on the implications for gender and intergenerational relations By focusing on families this book shifts the spotlight from macro transformations of the renovation era orchestrated by those in power to micro level transformations experienced daily in households between husbands and wives parents and children grandparents and other family members

Reporting Vietnam William M. Hammond, 1998 This text explains that government and media first shared a vision of American involvement in Vietnam but as the war dragged on government press releases were challenged by reports from the field

Nixon's Vietnam War Jeffrey P. Kimball, 1998 The signing of the Paris Agreement in 1973 ended not only America's Vietnam War but also Richard Nixon's best laid plans After years of secret negotiations threats of massive bombing and secret diplomacy designed to shatter

strained Communist alliances the president had to settle for a peace that fell far short of his original aims *The OSS and Ho Chi Minh* Dixee R. Bartholomew-Feis,2006 Some will be shocked to find out that the United States and Ho Chi Minh our nemesis for much of the Vietnam War were once allies Indeed during the last year of World War II American spies in Indochina found themselves working closely with Ho Chi Minh and other anti colonial factions compelled by circumstances to fight together against the Japanese Dixee Bartholomew Feis reveals how this relationship emerged and operated and how it impacted Vietnam s struggle for independence Although the OSS did not bring Ho Chi Minh to power Bartholomew Feis shows that its apparent support for the Viet Minh played a significant symbolic role in helping them fill the power vacuum left in the wake of Japan s surrender Her study also hints that had America continued to champion the anti colonials and their quest for independence rather than caving in to the French we might have been spared our long and very lethal war in Vietnam Based partly on interviews with surviving OSS agents who served in Vietnam Bartholomew Feis s engaging narrative and compelling insights speak to the yearnings of an oppressed people and remind us that history does indeed make strange bedfellows Understanding Vietnam C. ia,S. rv,2013-08-03 NA **Vietnam: who Cares?** Atlee Beechy,Winifred Beechy,1968 Reading Between The Lines: Toward an Understanding of Current Social Problems Amanda Konradi,Martha Schmidt,2003-07-31 Drawing from a wide selection of current research and writings Reading Between the Lines brings together accessible readings that examine a broad range of social problems and reflect different conceptual approaches The text provides a conceptual framework for understanding social problems and enables an integrated race class and gender analysis

Yeah, reviewing a book **Understanding Vietnam** could increase your near contacts listings. This is just one of the solutions for you to be successful. As understood, ability does not recommend that you have extraordinary points.

Comprehending as well as concurrence even more than additional will pay for each success. next to, the proclamation as with ease as perspicacity of this Understanding Vietnam can be taken as competently as picked to act.
