Understanding The Eucharist:

Understanding the Sacraments Fr. Chris Alar, MIC, 2025-05-09 Why is the Catholic Church Different from Any Other Church It has the seven Sacraments These are not just symbols but God's guaranteed grace They are Biblical as they were instituted by Christ and entrusted to His Church It is Christ Who acts and communicates His grace through Baptism Eucharist Confirmation Reconciliation Confession Anointing of the Sick Holy Orders Ordination and Matrimony In his engaging style Fr Chris Alar host of the popular Explaining the Faith online talks takes us back to seminary for a refresher course on what all Catholics should have learned He answers such questions as Why do we baptize infants Where is Confession in the Bible Is my marriage valid And many more Understanding the Revised Mass Texts Leader's Edition Paul Turner, 2010-03-03 Understanding the Sacraments of Initiation Randy Stice, 2017-04-03 Guiding readers through the rites of Baptism Confirmation and Eucharist Understanding the Sacraments of Initiation explores the way in which the sacraments of Initiation affect and influence one's daily Christian life **The Eucharist Explained** Richard Divozzo, 2023-10-27 Perhaps the doctrine of the Catholic Church most baffling to Protestants and the hardest to accept is her teaching on the Eucharist as both a sacrament and especially as the actual Body and Blood of Christ as he offered it on the Cross But what does the Catholic Church really mean by what she teaches about the Eucharist as opposed to what many have supposed her to mean by it Does the Catholic teaching have any foundation in the Bible Did Christ himself say anything about the Eucharist Is the Eucharist only a symbol or is it in the Sacrifice of the Mass the actual Body and Blood of Christ for our salvation These questions and others are answered for the Protestant inquirer in this book which the author hopes will at the very least help the reader to understand that what the Catholic Church believes about the Eucharist is not an invention but is rooted in a profound understanding of the Scriptures The Eucharist as Orikonso Damian Onwuegbuchulam Eze, 2008 In this book the author relying on the research he carried out in Igboland Nigeria leads us to see the action of God's grace already active in the Igbo religious culture called Omenala Ndigbo before the coming of Christian missionaries and how these cultural values have prepared the people to receive the Gospel But as he points out these cultural values on which the Christian message ought to have been built from the beginning were grossly misunderstood and neglected The Igbo people are now mainly Christians But because the Gospel has not yet become their culture some of them have double allegiance to the doctrines of the Church and to the practices of Omenala Ndigbo The author opines that to build the Catholic Church in Igboland on a solid foundation the Eucharist must take the central place since the Eucharist makes the Church and is the source and summit of the life of the Church Thus the work which uses the analytical and hermeneutical method known as inculturation is on Eucharistic Ecclesiology from an Igbo perspective and will be useful for the Church both at the local and universal levels for self understanding and renewal ecumenism dialogue and mission The Eucharistic Faith Ralph McMichael, 2019-09-30 In The Eucharistic Faith the first of a significant new systematic theology of the Eucharist Ralph N
