Understanding The New Age:

The New Age Arthur Moore,1927 **New Age Spirituality** Duncan Sheldon Ferguson,1993-01-01 A collection of essays explores the psychological sociological historical and philosophical aspects of the New Age movement and assesses its strengths and weaknesses

The to Z of New Age Movements Michael York,2009-06-17 The A to Z of New Age Movements furnishes profiles and explanations of New Age spokespeople and leaders of a range of human potential and self help practices of countercultural spiritual developments and of different groups and organizations that identify as New Age

The di Understanding the New Age Russell Chandler,1993-10 The New Age movement made up of Eastern mysticism and Western affluence now touches virtually every area of our lives business education psychology science health politics and religion Chandler explores the many aspects of the New Age channelers UFO contacts paranormal activities influential people who promote New Age ideas and more in this intriguing book and discussion guide

Understanding the New Age Movement Stratford Caldecott,2006-01-01 What is the attraction of New Age practices

Understanding New Religious Movements John A Saliba,2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals Understanding New Religious Movements offers the most objective introduction possible

Channeling Into the New Age Henry Gordon,2011-04-29 What exactly is the New Age movement Why has it become the dominant force of the Zeitgeist invading nearly every aspect of American life After years of researching this burgeoning movement columnist author and magician Henry Gordon is one of the world s foremost experts on every aspect of the New Age its derivations and content the people most involved in it the forces that motivate and prolong it and the enormous amount of money changing hands as the me generation takes on astrology crystals runes channeling mysticism yoga acupuncture herbal medicine telepathy precognition clairvoyance biofeedback biorhythms reincarnation and every sort of psychological technique for heightened awareness At the forefront of the brouhaha is high profile actress lecturer and free spirit Shirley MacLaine This book is strictly unauthorized a freewheeling and spirited roast of the New Age including a history of trends leading to the movement rooted in 19th century occultism and observations on the vast amount of coverage given to the movement and to New Age celebrities by the print and broadcast media Although Gordon delights in skewering the absurdities of the New Age

there s a serious emphasis to his research and his message While the gurus are busy channeling into new realities they are becoming phenomenally rich without contributing in any significant way to the alleviation of human unhappiness and very often without making any sense at all Sharp wit and common sense Wise and often hilarious Rocky Mountain News

Called to Reach William Yount, Mike Barnett, 2007-01-01 What s a cross cultural discipler It s someone who crosses distinct cultural barriers whether at home or abroad to share the gospel and develop other effective Christian disciples Think of the apostle Paul who was born into a Jewish heritage but preached in Greece and Rome among other places or modern day missionaries both short term and long term who bravely go where God sends them despite the challenges of language and lifestyle differences when they get there Called to Reach is a much needed book of encouragement and training for cross cultural disciplers new and old Based on the authors dynamic experiences it defines seven characteristics that best enhance the effectiveness of disciplers in overcoming cultural barriers and emphasizes the importance of personally growing in spiritual maturity with every outreach opportunity Throughout Jesus is presented as the model cross cultural discipler for He left the culture of Heaven to disciple us in our earthly culture **The New Age Magazine** ,1950 The New Age ,1914
