

Understanding Walker Percy

Jessica Hooten Wilson

Understanding Walker Percy:

Understanding Walker Percy Linda Whitney Hobson, 1988 Addresses a number of crucial issues including the manner in which employers unions formulate strategies the specific tactics utilized by both sides the impact of strategies tactics on union organizing effectiveness *More Conversations with Walker Percy* Walker Percy, 1993 This collection of interviews supplements *Conversations with Walker Percy* and occasions an additional two dozen pleasurable encounters with Percy Primarily from the last ten years of Percy's life they show how his presence was stimulating thought in much of humanistic America in literature linguistics psychology and philosophy and in cultural life in general Although this acclaimed author of *The Moviegoer* *Lancelot and Love in the Ruins* never overcame his shyness with interviewers he continued to grant interviews as long as his health permitted This act of openness illustrates his humility before his ideas and his desire to help others understand them Although the questions he was asked almost invariably became predictable he always managed to add an anecdote an illustration a topical reference that would breathe new life into the responses he was making The interviews in this collection show him at the height when he knew that his illness would not allow him to write any more books and that the only way to restate his ideas and offer a valediction to the large audience to whom he had always been kind patient and appreciative was to speak out Percy despised the posture of many modern self-proclaimed intellectuals who delight in cloaking ideas in jargon and abstraction He always tried to express himself clearly and as free of reservations as possible These interviews reflect that clarity With this book readers will welcome yet more close encounters with him

Walker Percy's Feminine Characters Lewis A. Lawson, Elżbieta H. Oleksy, 1995 *Arthurian Writers* Laura Lambdin, Robert Thomas Lambdin, 2007-11-30 King Arthur is perhaps the central figure of the medieval world and the lore of Camelot has captivated literary imaginations from the Middle Ages to the present Included in this volume are extended entries on more than 30 writers who incorporate Arthurian legend in their works Arranged chronologically the entries trace the pervasive influence of Arthurian lore on world literature across time Entries are written by expert contributors and discuss such writers as Geoffrey of Monmouth Boccaccio Chaucer Mark Twain John Steinbeck and Margaret Atwood Each entry provides biographical information a discussion of the author's use of Arthurian legend and contribution to the Arthurian literary tradition and a bibliography of primary and secondary material The volume begins with an introductory overview and concludes with suggestions for further reading The central figure of the medieval world King Arthur has captivated literary imaginations from the Middle Ages to the present This book includes extended entries on more than 30 writers in the Arthurian tradition Arranged chronologically and written by expert contributors the entries trace the pervasive influence of Arthurian legend from the Middle Ages to the present Each entry provides biographical information a discussion of the writer's use of Arthurian legend and contribution to the Arthurian literary tradition and a bibliography of primary and secondary material The volume begins with an introductory overview and closes with a discussion of Arthurian lore in art

along with suggestions for further reading Students will gain a better understanding of the Middle Ages and the lasting significance of the medieval world on contemporary culture *Wingless Chickens, Bayou Catholics, and Pilgrim Wayfarers* L. Lamar Nisly, 2011 Flannery O Connor Tim Gautreaux and Walker Percy are all Catholic writers from the South and seem to embody very fully both parts of that label Yet as quickly becomes clear in their writing their fiction employs markedly different tones and modes of addressing their audience O Connor seems intent on shocking her reader whom she anticipates will be hostile to her deepest beliefs Gautreaux gently and humorously engages his reader inviting his expected sympathetic audience to embrace the characters needed moral growth Percy satirically lampoons an array of social ills and failings in the Church as he tries to get his audience laughing with him while he makes his deadly serious point about the flaws he finds in the church and larger culture Why do these three writers assume such divergent images of their audience Why do texts by three writers who each embrace their Southern locale and their Catholic beliefs seem to have so little in common To answer these questions Nisly helps readers understand these authors fiction by examining the role that place and time had in shaping each author s idea of an audience and by extension his or her manner of addressing that audience More specifically Nisly focuses on each author s experience of Catholic community and each author s placement in relation to the Second Vatican Council Linking together biographical information and a reading of their fiction Nisly argues that O Connor s Gautreaux s and Percy s sense of audience has been shaped in significant ways by each author s own local experience of Catholicism in his or her home region as well as the larger global changes of Vatican II that transformed Roman Catholicism

More Conversations with Walker Percy Walker Percy, 1993 These collected interviews like a visit with Percy at his home on the Bogue Falaya River provide refreshing close up encounters with one of America s most celebrated writers These twenty seven interviews cover a period of twenty two years from the time of the publication of Percy s first novel *The Moviegoer* in 1961 until 1983 when he was interviewed about his friendship with Thomas Merton This volume is the second in the *Literary Conversations* series These unabridged interviews collected from a variety of sources will give reading pleasure to general readers who wish to know Percy and his works more closely and they will be of great use to Percy scholars

Research Guide to American Literature John Cusatis, 2010 Covers American literature during the postwar period Walker Percy Robert E. Lauder, 1996 One of the most important thinkers and novelists of the latter half of the twentieth century Walker Percy in his six novels and numerous essays gave a Christian existentialist critique of contemporary society Emphasizing the mystery of free persons Percy s writings explore and dramatize the mystery of interpersonal relations and the mystery of human person s relationship with God This book explores Percy s existential and religious vision

Twentieth-Century and Contemporary American Literature in Context Linda De Roche, 2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging

material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research

Cervantes in the English-speaking World Darío Fernández-Morera, Michael Hanke, 2005

Walker Percy, Philosopher Leslie Marsh, 2018-07-31 Though Walker Percy is best known as a novelist he was first and foremost a philosopher This collection offers a sustained examination of key aspects to his more technical philosophy primarily semiotics and the philosophy of language as well as some of his lesser known philosophical interests including the philosophy of place and dislocation Contributors expound upon Percy's multifaceted philosophy an invitation to literature and theology scholars as well as to philosophers who may not be familiar with the philosophical underpinnings of his work

Reading Walker Percy's Novels Jessica Hooten Wilson, 2018-05-18 Walker Percy 1916-1990 considered novels the strongest tool with which to popularize great ideas among a broad audience and more than half a century after they first appeared in print his works of fiction continue to fascinate contemporary readers Despite their lasting appeal however Percy's engaging narratives also contain intellectual elements that demand further explication Philosophical themes including existentialism language acquisition theory and modern Catholic theology provide a deeper layer of meaning in Percy's writings Jessica Hooten Wilson's Reading Walker Percy's Novels serves as a companion guide for readers who enjoy Percy's novels but may be less familiar with the works of Sartre Camus Kierkegaard and Dante In addition to clarifying Percy's philosophies Wilson highlights allusions to other writers within his narratives addresses historical and political contexts and provides insight into the creation and reception of *The Moviegoer* *The Last Gentleman* *Love in the Ruins* *Lancelot* *The Second Coming* and *The Thanatos Syndrome* An introduction covers aspects of Percy's biography that influenced his writing including his deep southern roots faith and search for meaning in life An appendix offers an explanation of Percy's satirical parody *Lost in the Cosmos* *The Last Self Help Book* Written in an accessible and conversational style this primer will appeal to everyone who appreciates the nuances of Walker Percy's fiction

The Art of Walker Percy Panthea Reid Broughton, 1999-03-01 The writings of Walker Percy as Panthea Broughton notes in her introduction are at once both accessible and inaccessible Because they tempt readers to identify with characters and recognize ideas they have gained a large and enthusiastic following But because they are subtle and complicated they defy attempts to reduce them to transparencies Indeed Percy's

fiction and nonfiction have a curious baffling quality that eludes all but the most scrupulously thoughtful and sensitive readers Through his close alignment with European novelists and philosophers this native of Alabama has given to American fiction a classic tone that is lacking in the work of such twentieth century writers as Hemingway and Fitzgerald In *The Art of Walker Percy* Broughton has brought together essays from fifteen scholars Writing from a conviction of the centrality and worth of Walker Percy s work as well as from the idea that fresh criticism is of value not only to readers but to living authors as well the essayists present diverse approaches to understanding his art Cleanth Brooks in his essay compares Percy with Eric Voegelin and notes the similarity of their respective approaches to the moral problems of modern man Martin Luschei in an examination of the technique of *The Moviegoer* shows how Percy presents his fictional world through the use of filmic art William Poteat s critique of *The Message in the Bottle* deals with Percy s original contribution to the philosophy of language Ted Spivey offers a structuralist analysis of Percy s work and suggests that in *Lancelot* Percy s quest takes a new direction Still other contributors approach Percy through more traditional rubrics such as the South Kierkegaard s stages dualism and theology in new and revelatory ways Written specifically for this new collection their essays present the reader with a sense of how many appropriate stratagems there are for seeing the meaning in Percy As they bring his work into focus therefore they assist Walker Percy in his avowed strategy of helping us see the world

A Political Companion to Walker Percy
Peter Augustine Lawler, Brian A. Smith, 2013-06-01 In 1962 Walker Percy 1916 1990 made a dramatic entrance onto the American literary scene when he won the National Book Award for fiction with his first novel *The Moviegoer* A physician philosopher and devout Catholic Percy dedicated his life to understanding the mixed and somewhat contradictory foundations of American life as a situation faced by the wandering and wondering human soul His controversial works combined existential questioning scientific investigation the insight of the southern stoic and authentic religious faith to produce a singular view of humanity s place in the cosmos that ranks among the best American political thinking An authoritative guide to the political thought of this celebrated yet complex American author *A Political Companion to Walker Percy* includes seminal essays by Ralph C Wood Richard Reinsch II and James V Schall S J as well as new analyses of Percy s view of Thomistic realism and his reaction to the American pursuit of happiness Editors Peter Augustine Lawler and Brian A Smith have assembled scholars of diverse perspectives who provide a necessary lens for interpreting Percy s works This comprehensive introduction to Percy s American Thomism is an indispensable resource for students of American literature culture and politics

Walker Percy William Rodney Allen, 1986-09-01 This valuable and informative book is a study of Percy s five novels in the context of his southern and American literary sources and his tragic personal history Though Percy has emphasized mainly his European existential influences his highly allusive novels echo his tragic early years in the South as well as his ambivalent relationship with his adoptive father William Alexander Percy and his awareness of such writers as Twain Hemingway and Warren This perceptive study examines Percy s novels in the light of psychoanalytic theory philosophy

and literary analysis The author finds that Percy s fiction has been shaped as much by what Percy rejected as by what he embraced This book is admirable first of all for its good taste It respects Walker Percy s privacy It offers fair readings generous readings and ultimately new and rewarding readings Lewis Lawson **Characters in 20th-century Literature** Kelly King Howes,1995 Provides essays on the most representative and most studied literary characters from international contemporary writers **Walker Percy's Quest for an Understanding of the Human Being** Karen Svendsen Werner,2003 **Cyclopedia of World Authors** Frank Northen Magill,1997 *The Southern Review* ,1996 *New Dictionary of Christian Apologetics* Gavin McGrath,2006-04-18 Editors Gavin McGrath and W C Campbell Jack with consulting editor C Stephen Evans offer this one volume resource packed with hundreds of articles on key topics historic figures and contemporary global issues relating to the study and practice of Christian apologetics

Eventually, you will totally discover a supplementary experience and talent by spending more cash. nevertheless when? attain you allow that you require to acquire those every needs subsequent to having significantly cash?
