Understanding Your Social Agency:

Understanding Your Social Agency Armand Lauffer, 2011 *Understanding Your Nonprofit Agency* written by internationally renowned scholar Armand Lauffer will fill the growing need for the distinction between corporate business operations and nonprofit operations. The book will focus on how nonprofit agencies operate and not how they are managed. It has been assumed that both entities function similarly. Currently, this assumption is increasingly seen as groundless. Nonprofit and profit-driven organizations have different goals and function differently from each other. This text addresses the current trend to differentiate how nonprofits are distinct.
