**Four British Fantasists** Charles Butler, 2006-04-25 *Four British Fantasists* explores the work of four of the most successful and influential fantasy writers of the generation who rose to prominence in the second Golden Age of children s literature in Britain Susan Cooper Alan Garner Diana Wynne Jones and Penelope Lively Drawing on history archeology social geography anthropology and postcolonial theory as well as literary criticism Butler provides a series of new perspectives through which to view these writers achievements He begins by highlighting some points of biographic coincidence e g all four authors were children during WWII all were born within a year or two of each other and all attended Oxford University in the early 1950s when C S Lewis and J R R Tolkien were publishing their seminal fantasies and questions if these factors play any significant role in the development of these fantasy writers The author then uses this question as the springboard for a case study in the assessment of biographical and literary influence The book also considers the role played by Britain itself in determining the

shape and preoccupations of these writers fiction Britain is a land with a long history in which contemporary life is constantly juxtaposed with evidence of the past in the form of ancient buildings historic sites and archeological remains By placing the work of Cooper Garner Jones and Lively in the context of British culture and of their own time Butler provides a key to their fascination with history mythology and magic and to the ways in which that fascination has found expression in their fiction Students of children s literature and of fantasy literature as well as readers who are interested in the lives of these four subject authors will find this an insightful read *Four British Fantasists* Charles Butler, Catherine Butler, 2006-04-25 Explores the work of four of the successful of the generation of fantasy writers who rose to prominence in the second Golden Age of children s literature in Britain **Fantasy Fiction** Frances Sinclair, 2008 Handbook of fantasy fiction for teachers librarians parents and guardians and children themselves in which to find many titles of fantasy fiction that they like or may be tempted to read Includes groups such as classic fantasy comic fantasy Arthurian dark fantasy animals and dragons Collected Stories Rhys Davies, 1996 For Younger Readers , 2008 **The Horn Book Guide to Children's and Young Adult Books** , 2004 *Fantasy Literature for Children and Young Adults* Ruth Nadelman Lynn, 2005-03-30 Bibliographic information grade level and annotations for nearly 7 500 fantasy books for grades 3 12 are given The introduction discusses the history of fantasy and awards presented to fantasy titles are listed Unexpected Magic Christine Pope, 2025-03-01 The entire Unexpected Magic urban fantasy series now collected for the first time in one boxed set FOUND OBJECTS Prop shopping for a TV production takes my mind off my troubles until I buy an old pair of glasses no one can see through But for me they show me a wild crystal clear vision Luckily a local male witch specializes in weird He s also got a smile so dazzling I almost miss his casual remark that my magic is powerful Magic What magic As the two of us explore those supernatural glasses and give in to our growing attraction I discover a dangerous reason my past has been hidden from me all these years FINDERS KEEPERS When I pick up an old compass with a wildly confused needle I don t question my newly awakened instincts I take it straight to Isaac the witch who s crash coursing me in magic The compass doesn t give up its secrets easily but it does point the way toward a mystery doubled edged with danger Right about the time the compass appears in my life so does my ex Are you smelling a rat So am I Especially when he s smelling up my living room dead as a doornail And looking like his last glimpse of life was a demon from hell LOST AND FOUND Right after my ex husband and a previously unknown half brother died the exact same way my lodestone gift draws a gorgeous silver and turquoise necklace into my life A necklace that fairly vibrates with power when I touch it Isaac male witch and ultimate slow burn romantic thinks I should sleep on it I mean literally I d rather he was the one sharing my bed though But this enchanted journey is fraught with demons And the one I find waiting for me around the next twist and turn is going to take more than holy water to vanquish FINDING DESTINY When my bio grandmother kidnaps me from Santa Fe to her Victorian monstrosity in Boulder I need a plan to escape Someone who uses that much magical Botox has a blind spot somewhere But she finds
