**An Unexpected Turn** T. J. Fox, 2019-03-26 When I take a good look at my reflection I m surprised that the face looking back at me in the mirror doesn t look different than the one I ve seen staring back at me for the last 27 years I see the same brown hair and brown eyes the same heart shaped face the same upturned nose I feel like I should look different That my face should show the upheaval and the weight of the last day that it should somehow show how much has happened how the course of my life has changed but everything is still the same Life is rarely ever predictable It is rarely even kind But sometimes just sometimes those unexpected turns that throw you into the chaos and upheaval of loss lead you to the exact place you need to be This is a story about love but it isn t a romance It is about holding on when it would be easier to let go about fighting for those that can t fight for themselves It is about finding and creating family through the unpredictable beautiful mess that is life

**The Turning Point That Changed Everything** Wallace R. Pratt, 2009-12-08 In every person s life there comes a moment in time when circumstances or events require decisions and responses that greatly determine the future This book has no design to be another volume on leadership techniques Rather it is a candid exploration of those unexpected turns birthed out of the experience of being confronted with a reversal of circumstances in the life of an individual Frankly it is a study about the drama of life The intention of the author is to give a sincere and straightforward examination of why turnabouts often get high jacked and fail to live up to people s expectations Even more individuals will find a plea for courage and faith when things do not occur as they once envisioned they would Consequently it is a clarion call for courage to go further than some would desire but also a caution to impatient leaders to be watchful of their own intentions to push a change further than would be wise In the end some leaders must be willing to consider a more contemplative life built on valuing people above their own ideological mindset Dr Wallace R Pratt is an administrator minister teacher and writer He lives in Salem Oregon and has been married thirty eight years to his wonderful wife Judy They are blessed with two daughters two great son in laws and five grandchildren Dr Pratt serves as a regional supervisor in the Northwest for his church organization while also serving as an adjunct professor for Gordon Conwell Theological Seminary His leadership experience has included thirty three years of pastoral ministry and approximately eighteen years of teaching in sixteen nations He has been serving on the Doctrine and Polity Committee of his church organization for fourteen years and presently holds the position of chairman for this international body
