Unhallowed Ground Isis:

Words on Cassette, 2002 R R Bowker Publishing, 2002 Books Out Loud, 2004 History is Our Mother: Three Libretti Alice Goodman, 2017-07-18 The first appearance of Alice Goodman's two internationally renowned and controversial libretti alongside one of her masterful translations An NYRB Classics Original Nixon in China and The Death of Klinghoffer played a crucial role in bringing opera back to life as a contemporary art form and they have been popular and in the case of Klinghoffer highly controversial ever since they were first staged by the director Peter Sellars in the eighties and nineties Both operas were conceived from the start as collaborations between composer and writer and their power is due as much to the dazzlingly constructed and deeply felt libretti of the poet Alice Goodman as they are to John Adams's music Nixon in China is a story at once heroic comic and unnerving of men and women making history and of their different conceptions of what history is and what it means to makes it Klinghoffer by contrast has at its center the tragedy of an innocent man condemned at the cost of his life to play a part in history History Is Our Mother which takes its title from a line sung by the title character in Nixon in China brings Goodman's two libretti together for the first time in book form Included alongside Goodman's no less inspired translation of Emanuel Schikaneder's famous libretto to The Magic Flute these vivid dramas of character and searching meditations on fate are here revealed as among the most original ambitious and accomplished poetic achievements of our time

Unhallowed Ground Gill White, 2000 Like a combination of Cold Comfort Farm and Psycho Gillian White's brilliant new novel begins very quietly almost romantically then builds inexorably to nearly unbearable suspense It's about an attractive fortyish widow very lively but deeply wounded in her psyche who inherits her brother's cottage in a remote part of rural Devon Georgie is a London social worker in flight from unwanted tabloid celebrity when a child who is part of her caseload is killed The little girl's father has been under suspicion of abusing the child and Georgie is accused by the press of having ignored all the warning signs and abandoned the little girl to her father's cruel and finally fatal beating An inquiry exonerates Georgie but the press doesn't forgive her and she can't forgive herself so when she inherits her brother's cottage she is happy to go there and sort things out Georgie settles in and takes stock of her neighbors Chad Cramer a small time thief and poacher has appropriated most of her brother's belongings and lives with Donna a witless but somehow disturbing waif who is clearly in terror of Chad the Buckpits dairy farmers a ferocious brooding gorgon of a mother and two hulking brutish sons and Nancy and George Horsefield a well to do married couple whose brightly expensive lifestyle seems to conceal some hidden tragedy for Mrs H is clearly crazy and Mr H though he cares for her is strangely on edge For a while Georgie gets by restoring the cottage to something approaching livability and cleaning up the garden shed in which something strange has clearly been going on and her life seems almost idyllic Then a darker note is heard Georgie sees a mysterious and threatening stranger who runs away when Georgie approaches Chad Cramer turns nasty Donna begins to cling to Georgie Mrs Buckpit is openly hostile and Georgie continues to be haunted by the child who

was under her care and died and by the thought of the child's father in prison now As the summer ends the countryside begins to turn savage and threatening and now real terror creeps in Georgie's beloved dog is stolen her attempt at painting is livened up with splashes of blood an intruder stares into her cottage at night with a baleful eye Finally step by step the horror increases to Psycho level as a snowstorm isolates the village and cuts Georgie off from the world leaving her at the mercy of a killer whose identity she can't even guess as the axe descends on her
