## **Unheard Music:**

*Vanishing Voices* Katarzyna Dudek, 2020-01-15 The nature of silence is hard to grasp This book serves to systematize this concept and explore it in the works of three major poets of religious experience namely Gerard Manley Hopkins T S Eliot and R S Thomas Since these poets worked within a Christian framework the silences they refer to are mainly those emerging in the context of the relationship between God and man in a post Christian climate The book s textual analyses place special attention on the dynamics between thematic and structural manifestations of silence and are situated at the crossroads of the poetics philosophy and theology In this first study bringing together the poetry of Hopkins Eliot and Thomas the three poets each in his unique way emerge as poetic ministers practitioners and producers of silence who try to find a new language to talk about the Ineffable God and one s experience of the divine

**Eleanor Cameron** Paul V. Allen, 2018-02-20 Eleanor Cameron 1912 1996 was an innovative and genre defying author of children s fiction and children s literature criticism From her beginnings as a librarian Cameron went on to become a prominent and respected voice in children s literature writing one of the most beloved children s science fiction novels of all time *The Wonderful Flight to the Mushroom Planet* and later winning the National Book Award for her time fantasy *The Court of the Stone Children* In addition Eleanor Cameron played an often vocal role in critical debates about children s literature She was one of the first authors to take up literary criticism of children s novels and published two influential books of criticism including *The Green and Burning Tree* One of Cameron s most notable acts of criticism came in 1973 when she wrote a scathing critique of Roald Dahl s *Charlie and the Chocolate Factory* Dahl responded in kind and the result was a fiery imbroglio within the pages of the *Horn Book Magazine* Yet despite her many accomplishments most of Cameron s books went out of print by the end of her life

and her star faded This biography aims to reinsert Cameron into the conversation by taking an in depth look at her tumultuous early life in Ohio and California her unforgettably forceful personality and criticism and her graceful heartfelt novels The biography includes detailed analysis of the creative process behind each of her published works and how Cameron s feminism environmentalism and strong sense of ethics are reflected in and represented by her writings Drawn from over twenty interviews thousands of letters and several unpublished manuscripts in her personal papers Eleanor Cameron is a tour of the most exciting and creative periods of American children s literature through the experience of one of its valiant purveyors and champions

Slimetime Steven Puchalski,2002 Utilising in depth reviews cast and plot details Slimetime wallows in those films which the world has deemed it best to forget everything from cheesy no budget exploitation to the embarrassing efforts of Major Studios Many of these films have never seen a major release some were big hits and others have simply vanished To compliment the wealth of reviews on sci fi schlock flower power and puppet people films are detailed essays on specific sleaze genres such as Biker Blaxploitation and Drug movies Fully updated and revised with new reviews and new illustrations
