## **United Nations At Work:**

The United Nations at Work Martin I. Glassner, 1998-10-15 The debate over the nature and future of the United Nations began before its inception in 1945 and is likely to continue far into its second half century The purpose of this collection is to examine something generally ignored in the debate even in the professional literature what the United Nations actually does The volume consists of original authoritative critical analyses of a sampling of key UN activities In addition to their credentials in their own specialties most contributors have extensive UN experience as staff members delegates or consultants Most are international lawyers and the others have a wide variety of backgrounds They come from 12 countries Each chapter stands on its own as a significant contribution to our understanding of both the subject and the quiet undramatic but vital worldwide work of the United Nations Students scholars and other researchers involved with the United Nations and other intergovernmental organizations will find this work of particular interest *Landing your dream job at the United Nations* , This comprehensive eBook will help you land your dream job at the United Nations System It will introduce you to the complex world of the United Nations and it will guide you through all the stages of the selection process If you are seeking more information on how to kick start your career with the United Nations you have come to the right place Working for an organization within the United Nations System is a dream for many professionals across the globe since the opportunities offered often combine good remuneration and a wide range of benefits with meaningful work As you go through the chapters of this eBook you will be able to tell that the UN System offers work opportunities for professionals coming from very diverse academic backgrounds therefore the chances of you finding a vacancy that suits your profile are very high Nonetheless it is important that you know that selection processes to integrate the team of international organizations tend to be quite competitive and for this reason a strong preparation is key for those who want to succeed Our team is certain that you want to be amongst the successful candidates and this is exactly why OpenIGO Network has put this eBook together to help you land the job of your dreams As we move on through the different stages of the application process this manual will offer you preparation tips as well as detailed explanations and guidance for each stage it will introduce you to the United Nations as the complex international organization it is and its organizational culture and values it will teach you how to prepare your online application in detail give you insight on where to look for vacancies and will also get you ready for the competency based interview This manual was written and revised by a team of Ph D professors human resources specialists and intergovernmental organization staff with a great deal of diligence **Oppenheim's International Law: United Nations** Rosalyn Higgins, Philippa Webb, Dapo Akande, Sandesh Sivakumaran, James Sloan, 2018-12-13 The United Nations whose specialized agencies were the subject of an Appendix to the 1958 edition of Oppenheim s International Law Peace has expanded beyond all recognition since its founding in 1945 This volume represents a study that is entirely new but prepared in the way that has become so familiar over succeeding editions of Oppenheim An authoritative and comprehensive

study of the United Nations legal practice this volume covers the formal structures of the UN as it has expanded over the years and all that this complex organization does All substantive issues are addressed in separate sections including among others the responsibilities of the UN financing immunities human rights preventing armed conflicts and peacekeeping and judicial matters In examining the evolving structures and ever expanding work of the United Nations this volume follows the long held tradition of Oppenheim by presenting facts uncoloured by personal opinion in a succinct text that also offers in the footnotes a wealth of information and ideas to be explored It is book that while making all necessary reference to the Charter the Statute of the International Court of Justice and other legal instruments tells of the realities of the legal issues as they arise in the day to day practice of the United Nations Missions to the UN Ministries of Foreign Affairs practitioners of international law academics and students will all find this book to be vital in their understanding of the workings of the legal practice of the UN Research for this publication was made possible by The Balzan Prize which was awarded to Rosalyn Higgins in 2007 by the International Balzan Foundation Work of the United Nations Interregional Crime and Justice Research Institute United Nations.
