they began to mass on France's frontiers The scene was set for the greatest battle the world had yet seen Composed of more than 300 eyewitness accounts official documents parliamentary debates and newspaper reports Voices from the Past tells the story of Napoleon's last battles as they were experienced and reported by the men and women involved Heroic cavalry charges devastating artillery bombardments terrible injuries heart breaking encounters and amusing anecdotes written by aristocratic officers and humble privates alike fill the pages of this ambitious publication Many of these reports have not been reproduced for almost 200 years The Best Books: F, History and historical biography. ended in one of the greatest military upsets of all time Waterloo became a legend overnight and remains one of the most argued over battles in history Lord Wellington immortally dubbed it the nearest run thing you ever saw in your life but the British victory became iconic a triumph of endurance that ensured a 19th century world in which Britain played the key role it was also a defining moment for the French bringing Napoleon I s reign to an end and closing the second Hundred Years War Alongside the great drama and powerful characters Jeremy Black gives readers a fascinating look at where this battle belongs in the larger story of the tectonic power shifts in Europe and the story of military modernisation The result is a revelatory view of Waterloo s place in the broader historical arc Black sets this battle in the context of warfare in the period and not only that of Napoleonic Europe He also uses Waterloo to explore the changing nature of war the rise and fall of Napoleon s empire and the influence of the French Revolutionary and Napoleonic Wars on the 19th century Drawing on all the latest scholarship Jeremy Black brings this thrilling story and the world in which it is set vividly to life **Ontario**
