I am a poor way-far-ing stran-ger a-wand-ring
I know dark clouds will gath-er 'round me, I know my

through this world of woe And there's no sick-ness tell no dan-ger in that bright
way is rough and steep. But gol-den fields lie just be-fore me where woe-ry

world to which I go I'm go-ing there to see my fa-ther I'm go-ing
eyes no more will weep I'm go-ing there to see my mo-ther She said she'd

there meet no more to roam I'm on-ly go-ing o-ver Jer-dan, I'm on-ly
me when I come I'm just a-go-ing o-ver Jer-dan, I'm on-ly

Wayfaring Stranger M. Rose Barkley,1999-01-01 *Wayfaring Stranger* Richard Tillinghast,2012 *Wayfaring Stranger* N. Thomas Johnson-Medland,2023-04-28 We are nomads We are all nomads We are all nomad singing our lives into the night Our lives arise melodies and syncopated rhythms giving way to meanings and tellings Shadows echoes and flickerings Hints mumblings and innuendo Some of the stanzas are whispers and others are loud slow dirges Some we sing alone Others are call and response We rarely sing together all of us at once and in the same place but we do From time to time Quite often when we are not trying to Quite often we sing together but from different places in time and space A call There is some sense of our nomad self our nomad soul which responds to an inner and an outer call It is as if the inner thrum that ambient hum of our individual life is lured to and infatuated with the outer thrum that other ambient hum of life the one for all that is The calls meet up and they bond themselves covalently That which is inside is magically seduced by that which is outside Come and join the Caravan you are already a part of *The Life and Poetry of Frank Stanford* James McWilliams,2025-07 The full throated biography fans have been yearning for Kirkus Starred Review April 2025 When twenty nine year old Frank Stanford put three bullets in his chest on June 3 1978 he ended a life that had been inextricably linked with poetry since childhood Deeply influential but largely unknown outside his corner of the poetry world this prodigy of the American South inspired a cult following that has kept his reputation and work flickering on the periphery of the American literary tradition ever since *The Life and Poetry of Frank Stanford* offers for the first time a comprehensive study of Stanford s life and work introducing to a broad readership poetry that remains both captivating to poets and in its celebration of everyday experience over academic erudition accessible to those who rarely read poetry Stanford s poems range from one line to his 15 283 line epic *The Battlefield Where the Moon Says I Love You* The vital thread running through all of his poetry is an ear for language that vies with Walt Whitman in its expansiveness and generosity Stanford s omnivorous attraction to vernacular particularly Black and rural vernacular centered on an admiration for the marginalized and eccentric Blending the Southern Gothic of Faulkner and O Connor with a racially egalitarian vision his poetry thrives on the stories and traditions of the oppressed and forgotten The themes that preoccupied Stanford s prolific output language sex death class geography commercialism surrealism film race also preoccupied the poet in his daily life which was marked by heavy drinking philandering mental instability emotional abuse and through it all an inveterate desire for beauty Constantly attentive to this tension biographer James McWilliams traces the short and painfully complicated life of this hidden talent who left a lifetime s worth of poetry that through its grounding in the mundane achieved a vision of the transcendent
