What's in Store Trevor Joyce,2007 Poetry WHAT S IN STORE is Trevor Joyce s first full length book since the publication of his collected poems with the first dream of the fire they hunt the cold 2001 For this volume the author has shaped eight years worth of work individual poems extended sequences translations from the Irish Chinese and other languages into a continuous booklength structure These poems find Joyce reaching out towards a jarringly wide range of styles and voices from the tart lyricism of his workings of European folksongs to the ferociously dense collage inscription of STILLSMAN Brought together as a book the poems take on further meanings WHAT S IN STORE is at once a Borgesian guide to the history customs and scientific discourse of an unknown country and an Oulipian textual machine whose workings by turns terrify and exalt This is one of my favorite poets anywhere His poems have the clear austere and impersonal ring of great translations They are archetypal they are strange Fanny Howe
