Whats Cookin With The Republicans:

What's Cookin' with the Republicans Sue Chapman,1992 *Republican Women* Catherine E. Rymph,2006-05-18 In the wake of the Nineteenth Amendment Republican women set out to forge a place for themselves within the Grand Old Party As Catherine Rymph explains their often conflicting efforts over the subsequent decades would leave a mark on both conservative politics and American feminism Part of an emerging body of work on women s participation in partisan politics *Republican Women* explores the dilemmas confronting progressive conservative and moderate Republican women as they sought to achieve a voice for themselves within the GOP Rymph first examines women s grassroots organizing for the party in the decades following the initiation of women s suffrage She then traces Marion Martin s efforts from 1938 to 1946 to shape the National Federation of Women s Republican Clubs the party s increasing dependence on the work of women at the grassroots in the postwar years and the eventual mobilization of many of these women behind Barry Goldwater in defiance of party leaders From the flux of the party s post Goldwater years emerged two groups of women on a collision course a group of party insiders calling themselves feminists challenged supporters of independent Republican Phyllis Schlafly s growing movement opposing the Equal Rights Amendment Their battles over the meanings of gender power and Republicanism continued earlier struggles even as they helped shape the party s fundamental transformation in the Reagan years

What's Cooking, Uncle Sam? Alice D. Kamps,2011 What s Cooking Uncle Sam based on an exhibition at the National Archives in Washington DC is a collection of records exploring the history of food policy in the United States **Formidable** Elisabeth Griffith,2022-08-02 An essential history of the struggle by both Black and white women to achieve their equal rights Hillary Rodham Clinton The Nineteenth Amendment was an incomplete victory Black and white women fought hard for voting rights and doubled the number of eligible voters but the amendment did not enfranchise all women or even protect the rights of those women who could vote A century later women are still grappling with how to use the vote and their political power to expand civil rights confront racial violence improve maternal health advance educational and employment opportunities and secure reproductive rights *Formidable* chronicles the efforts of white and Black women to advance sometimes competing causes Black women wanted the rights enjoyed by whites They wanted to protect their communities from racial violence and discrimination Theirs was not only a women s movement White women wanted to be equal to white men They sought equal legal rights political power safeguards for working women and immigrants and an end to confining social structures There were also many white women who opposed any advance for any women In this riveting narrative Dr Elisabeth Griffith integrates the fight by white and Black women to achieve equality Previously their parallel struggles for social justice have been presented separately as white or Black topics or covered narrowly through only certain individuals decades or incidents *Formidable* provides a sweeping century long perspective and an expansive cast of change agents From feminists and civil rights activists to politicians and social justice advocates from working class women to mothers and

homemakers from radicals and conservatives to those who were offended by feminism threatened by social change or convinced of white supremacy the diversity of the women s movement mirrors America After that landmark victory in 1920 suffragists had a sense of optimism declaring Now we can begin By 2020 a new generation knew how hard the fight for incremental change was they would have to begin again Both engaging and outraging Formidable will propel readers to continue their foremothers fights to achieve equality for all

The Last Brahmin Luke A. Nichter,2020-09-22 The first biography of a man who was at the center of American foreign policy for a generation Few have ever enjoyed the degree of foreign policy influence and versatility that Henry Cabot Lodge Jr did in the postwar era perhaps only George Marshall Henry Kissinger and James Baker Lodge however had the distinction of wielding that influence under presidents of both parties For three decades he was at the center of American foreign policy serving as advisor to five presidents from Dwight Eisenhower to Gerald Ford and as ambassador to the United Nations Vietnam West Germany and the Vatican Lodge s political influence was immense He was the first person in 1943 to see Eisenhower as a potential president he entered Eisenhower in the 1952 New Hampshire primary without the candidate s knowledge crafted his political positions and managed his campaign As UN ambassador in the 1950s Lodge was effectively a second secretary of state In the 1960s he was called twice by John F Kennedy and by Lyndon Johnson to serve in the toughest position in the State Department s portfolio as ambassador to Vietnam In the 1970s he paved the way for permanent American ties with the Holy See Over his career beginning with his arrival in the U S Senate at age thirty four in 1937 when there were just seventeen Republican senators he did more than anyone else to transform the Republican Party from a regional isolationist party into the nation s dominant force in foreign policy a position it held from Eisenhower s time until the twenty first century In this book historian Luke A Nichter gives us a compelling narrative of Lodge s extraordinary and consequential life Lodge was among the last of the well heeled Eastern Establishment Republicans who put duty over partisanship and saw themselves as the hereditary captains of the American state Unlike many who reach his position Lodge took his secrets to the grave including some that revealed here for the first time will force historians to rethink their understanding of America s involvement in the Vietnam War

[The New Yorker](#),1992 [National Republican](#),1944 **What is Cooking with the Republican Party?**,1973 **Frame by Frame** Hannah Frank,2019-04-09 At publication date a free ebook version of this title will be available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more In this beautifully written and deeply researched study Hannah Frank provides an original way to understand American animated cartoons from the Golden Age of animation 1920 1960 In the pre digital age of the twentieth century the making of cartoons was mechanized and standardized thousands of drawings were inked and painted onto individual transparent celluloid sheets called cels and then photographed in succession a labor intensive process that was divided across scores of artists and technicians In order to see the art labor and technology of cel animation Frank slows cartoons down to look frame by frame finding hitherto unseen

aspects of the animated image What emerges is both a methodology and a highly original account of an art formed on the assembly line
