*King of the Action Thriller* Brian Hannan, 2026-02-11 The Scottish novelist Alistair MacLean didn't speak English until he was six but he went on to become one of the world's best selling authors over 150 million copies sold and Hollywood's highest paid screenwriter His films are the very portrait of action Where Eagles Dare The Guns of Navarone Puppet on a Chain and Fear Is the Key set the template for Die Hard the Bourne films and John Wick The cable car fight speedboat pursuit and car chase set a new high for action sequences Movies were sold on his name alone He achieved Hollywood's highest honor his name above the title because he appealed to a vast global audience This is the first book to explore Alistair MacLean's unique magic detailing how 18 of his bestsellers were transformed into movies and mini series His movies starred Clint Eastwood Charles Bronson Gregory Peck Donald Sutherland multiple Oscar nominees Richard Burton and Richard Harris and two time Oscar winner Anthony Hopkins Moviemakers had such faith in MacLean's name as a marketing tool that they also handed leading roles to unknowns like George Maharis or Sven Bertil Taube This much needed work of cinema history fills a gap in the scholarship telling the full story of the man who dominated the action movie for two decades
