When All Else Fails Mark Lages,2023-03-24 What is the truth It can mean so many different things to so many people This is a book about one man s literary journey toward the truth It is his truth and not necessarily yours It might make you laugh out loud or it might make you angry or it might make you want to hide or it might just turn your stomach It s a deeply personal book about a deeply personal subject There s a little something for everyone and a lot to think about and in some cases maybe much ado about nothing at all Livened up with the author s own hand penned illustrations it is surely an effort you are unlikely to forget
